

DUAL IMPACT

DUAL IMPACT Meet the quick change artist of the MirroCraft 2020 lineup. The 1766/1866 Dual Impact easily converts from a high performance ski boat to a full-featured fishing boat. Whatever type of water activity you choose, the new DUAL IMPACT models gives you the ability to choose between fishing, water skiing, or cruising whenever the mood strikes you. Swivel bucket seating, an aluminum ski pylon, and all-new interior upholstery add up to a great ski boat. Pedestal seating, aerated livewells, and rod storage are features the avid angler will appreciate.
