

MirroCraft

OUTFITTER

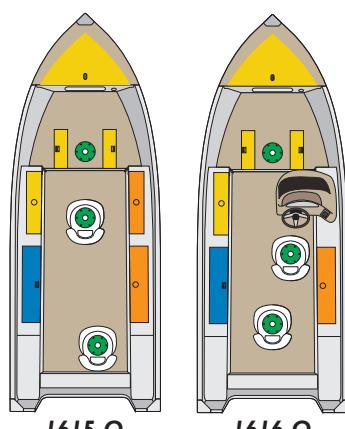

The Outfitter series gives anglers rugged, dependable, easy-to-care-for fishing boats that will serve them well for many years to come. Four tiller and two side console models round out the Outfitter series. Based on these six of our most time-proven models, the Outfitter series features a non-glare khaki colored interior and exterior. All floors are covered in durable vinyl that is non-slip and very easy to clean. Pedestal seats are covered in tough camo canvas and are very supportive. And the Outfitter series is built to perform.
