

# MirroCraft

## DUAL IMPACT

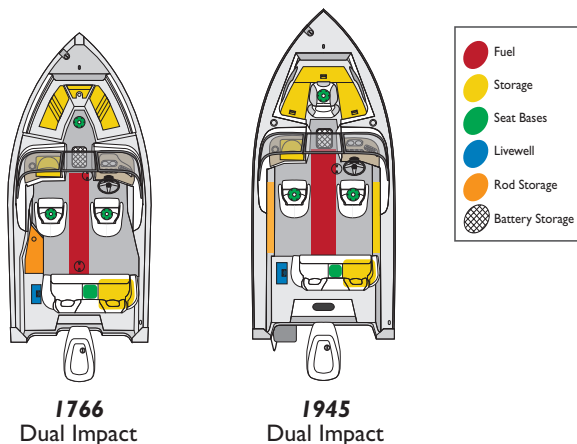

Bigger is definitely better. You'll notice the difference the moment you drive these boats. Meet the quick change artists of the MirroCraft lineup. With additional beam width, these two models easily convert in minutes from full-featured fishing boats to high performance ski boats. Whatever type of water activity you choose, the Dual Impact series gives you the ability to choose between fishing, water skiing or cruising whenever the mood strikes you. Swivel bucket seating, an aluminum ski pylon, and all-new dual consoles with full windshields add up to great ski boats. Pedestal seating, aerated livewells, and rod storage are features the avid angler will appreciate.

1945 Dual Impact shown
