### RB-400 WALK-BEHIND ROTARY BROOM

**Sweep it clean.** Getting the job done right means using the right tool for the job. The WESTERN® RB-400 walk-behind rotary broom is a combination sweeper/snowplow with the features to clean pavement along buildings, curbs, and edging from either direction. The quick-attach plow blade helps move heavy or deep snow, while the centrally driven broom cleans every last flake in one easy pass. With 360-degree maneuverability, adjustable down-pressure and adjustable rotation speed, this tool adapts to any condition to get the job done fast and done right.

- Unique brush-head design features angled outer bristles to thoroughly clean along curbs and edging
- Adjustable broom-rotation speed and adjustable down-pressure adapt to any job
- Floating, pivoting broom head gives you five angle settings to adjust the trajectory of snow
- Quick-attach plow blade features wheels and floating design to move heavy or deep snow
- Seven-position handlebar height adjustment for operator comfort
- Active-assisted steering and freewheel feature for 360-degree turning

Optional debris catcher and turf bristles are available for spring cleanup.

## WALK-BEHIND SIDEWALK PRODUCTS

### SS-120 WALK-BEHIND SIDEWALK SPRAYER

**Pretreat for a cleaner scrape.** Apply liquid anti-icing before the storm to help prevent snow and ice from forming a bond with the pavement, so it's easy to scrape clean down to the surface. This convenient, battery-powered sprayer features a height-adjustable nozzle that sprays up to four feet wide and a convenient spray wand for stairs, entryways and other hard-to-reach places.

- 12-gallon poly tank with easy-fill cap handles any deicing liquid
- Electric pump sprays up to one gallon per minute at 60 psi
- Battery powers up to ten full tanks, and recharges in 12–16 hours
- Height-adjustable nozzle and convenient spray wand

Empty Weight	Dimensions Overall (LxWxH)	Capacity	Spraying Width	Spraying Volume	Frame	Tank	Motors
60 lb (27.2 kg)	48" x 28" x 33" (122 cm x 71 cm x 84 cm)	12 gal (45.4 L)	Up to 48" (Up to 122 cm)	1 gal/min (3.8 L/min)	Powder coated steel	One-piece LLDPE	12-volt, direct-drive pump

### WALK-BEHIND SIDEWALK SPREADERS

**When it's time to melt ice with rock salt,** these poly spreaders with top screen, cover, powder coated steel frame and 13" pneumatic tires deliver long-lasting performance.
