Bumpers (front/rear)	Standard/Standard

// FEATURE HIGHLIGHTS

**1 REV Gen5 trail platform**

A sleek design that brings a whole new level of refinement, performance and good looks to the trails.

**2 RAS™ RX front suspension**

Conquer every inch of the most challenging trail conditions with unbreakable confidence with race-inspired RAS RX front suspension. Designed specifically for rough trail performance with less chassis roll for unrivaled cornering stability.

**3 High-performance KYB Pro shocks**

Extreme capability, extreme durability shocks for control in the toughest conditions. Easy adjust-equipped for dialed in compression.

RENEGADE X-RS 900 ACE TURBO R SHOWN

**4 Smart-Shox**

An industry first, Smart-Shox is the only semi-active suspension that instantly reads terrain and rider input from 5 position sensors to automatically dial in both compression AND rebound, using the industry's most advanced electronic twin-tube shock absorbers to provide the optimal ride in any conditions.

**5 Heated trail seat**

Narrow at the front for easier rider movement during aggressive rides. Wider and flat at the back for improved comfort over long hauls. Heated for the coldest days.

**6 10.25 in. Touchscreen Display with BRP Connect, featuring Built-In GPS with Group Ride**

View the live location of members of your group while independently seeing other riders around, without the need for a phone connection or cellular network access. Benefit from a map layer and trails,* track your current ride and see previous. For more, use your phone with the free BRP GO! app.
