SEA-DOO[®]

Layout Configurations

SWITCH CRUISE LIMITED 18' - 300

SWITCH CRUISE LIMITED 21' - 300

Elevated refinement for unforgettable days on the water

- **Limited package:** unique badging and trims, exclusive coloration, additional seating, interior lighting and speed ties
- 10.25 in. touch display
- BRP Premium 6-Speaker Audio System
- Premium captain's chair with adjustable ergonomics and quick-adjust handlebar
- Garmin® 7" touchscreen GPS
- Deck mats
- 176 L Fuel tank
- Bimini top with gas springs

Feature Highlights

10.25 in. touch display

Premium design and intuitive interface with marine navigation via BRP GO! app, media management, software updates via Wi-Fi and more.

BRP Premium 6-Speaker Audio System

A Premium 6-Speaker JL Audio System that transforms the ride into a floating music festival. Includes 3 corner tables with 2 speakers each as well as 2 amplifiers and 1 subwoofer for an immersive 360-degree experience.

Powerfull ROTAX 1630 ACE™ - 300 hp Engine

The most powerful engine in the Switch family. Combined with a new tank offering 60% more fuel capacity, it leaves no room for compromise when it comes to riding time and peace of mind.¹

Limited Package

The Switch Cruise Limited offers premium features such as interior lighting, additional seating, speed ties, an upgraded captain's chair, exclusive coloration and unique trims and badging.

Switch Modular Deck

Innovative tile system that allows you to transform the onboard layout in seconds. Its secure and easy-to-use quick-attach tiles offer unparalleled adaptability.

Double Bimini Top with Gas Springs (optional)

A double bimini that provides a covered bow seating area for updated comfort. The gas springs make the bimini top deployment and storage a breeze. On the 21' option, 2 sunroof zip panels allow the sun to light up the boat if desired when on the water.
