makes a difference

Fleet Trailer Cleaner

Fleet Trailer Cleaner is a concentrated, non-etching, acid-based detergent formulated to quickly penetrate and remove grease, grime, dirt, road film and welding smut from polished aluminum and stainless steel surfaces. It shines aluminum and stainless steel by removing the oxidation that dulls those surfaces.

Benefits

- Combination Cleaner and Brightener
- Use on Aluminum and Stainless Steel
- Restore Shine

Dilution Ratio: Ready To Use

Directions: INDUSTRIAL USE ONLY. Read the Safety Data Sheet thoroughly before using this product. Apply undiluted using a low pressure sprayer (pH 1.1 as is). Then rinse with a hot or cold water pressure washer from the bottom up followed by a final rinse from the top down. Never apply Fleet Trailer Cleaner to a hot surface.
