Feature Highlights

Unique Driving Experience

Fun, simple and stress-free handling. Easy to steer and easy to dock with intuitive Sea-Doo handlebar controls. iBR Intelligent Brake & Reverse stops the boat sooner and improves maneuverability. The Tri-Hull design allows for nimble and precise handling, exciting performance and improved stability.

Switch Modular Deck

Innovative tile system that allows you to transform the onboard layout in seconds. Its secure and easy-to-use quick-attach tiles offer unparalleled adaptability.

Powerful ROTAX® 1630 ACE Engine

Proven to be reliable, this jet propulsion system offers an outsized fun factor with a level of maneuverability never seen on a pontoon boat.¹

Switch Bimini Top

The sturdy, lightweight aluminum frame and high-grade marine canvas offer essential protection from the elements. Can be raised and lowered in seconds.

Optimized Stern Experience

Easily get on and off your boat from the swim platform thanks to the two rear corner doors. For an extra dose of fun, the swim platform with the retractable boarding ladder creates a functional area for swimming and watersports.

Tech Package (optional on 18' - 230 only)

Includes 2 corner tables with 2 speakers each as well as 1 amplifier and 1 subwoofer for an immersive 360-degree experience. Tech packages are pre-wired to add 2 additional JL Audio tables for a total of 4. To level up convenience even more, a double bimini top with gas springs is optional.
