Runner (in.) – Carbide (in.)	3/8 square – 4
Bumpers (front/rear)	Heavy-duty/Standard

2027 RENEGADE ADRENALINE WITH ENDURO PACKAGE

// FEATURE HIGHLIGHTS

1 Rotax 600RR E-TEC engine

Built with racing performance in mind, the 600RR E-TEC powerhouse delivers a sharp 20% more throttle response, instantaneous power delivery with 5 additional HP for a total of 130 HP and an air-fuel ratio precisely optimized for peak efficiency.

2 Rotax 900 ACE Turbo R engine

Now the most powerful 4-stroke engine ever offered. Ferocious instant acceleration and top speed through bigger fuel injectors, increased boost and optimized intake and exhaust systems. The new cable activated iTC throttle better matches a performance rider's profile while offering three driving modes.

3 Rotax 850 E-TEC

Incredible power and unmatched dynamic response with exclusive E-TEC direct-injection technology. Plasma-coated, mono-block cylinders are used for exceptional durability, while the precision of E-TEC injection means you get excellent fuel and oil economy.

RENEGADE ADRENALINE WITH ENDURO PACKAGE 600RR E-TEC SHOWN

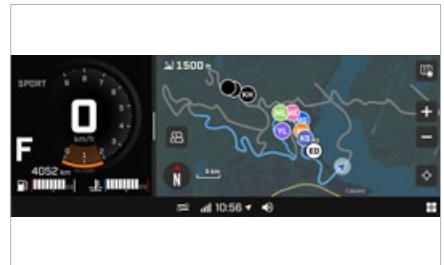

4 rMotion™ X rear suspension with Air Control Shock (ACS)

rMotion™ X redefines big bump capability in the harshest terrain while improving overall handling thanks to a longer front arm with adjustable angle design. Combined with ACS and its on-the-fly preload settings, you have the best of both handling and adjustable comfort.

5 RAS™ X front suspension

Flatter cornering and precision handling in all conditions. Wider, adjustable ski stance and +10 mm of suspension stroke maximize stability, capability and comfort.

6 10.25 in. Touchscreen Display with BRP Connect, featuring Built-In GPS with Group Ride

View the live location of members of your group while independently seeing other riders around, without the need for a phone connection or cellular network access. Benefit from a map layer and trails,* track your current ride and see previous. For more, use your phone with the free BRP GO! app.
