

Ferri is a leading international manufacturing company of boom mowers for grounds maintenance, slopes, river banks, and hedges. Flail Mowers and shredders for large and small excavators are available as well.

In addition to wholegoods and parts stocked by HARCO, the company supports North American after sale service, warranty and spare parts with a company warehouse in Massachusetts.

Due to the extensive line of models and options available the following price list gives base product prices only in USD (United States Dollars). For complete catalogue information (39 pages) contact your Harco Territory Manager, our sales desk at Harriston, or [www.ferri-america.com](http://www.ferri-america.com).
