# BIG JIM TAB

# WHEEL PACKERS

Manufactured in-house at Harco Ag Equipment, Big Jim Packers are designed to give you greater durability and feature adjustable frames up to 15' models to permit exact matching of packer width to customer requirements. Our "DUCTILE WHEELS" are a top quality, thicker, heavier wheel which is a major improvement in reducing wheel breakage. For wider models, please inquire.

## Standard Equipment:

**High Quality Ductile Wheels, centre bearing 9 feet and up, adjustable frame 9-15 feet, 3-year limited warranty on ductile packer wheels.**

## Single Gang Specifications (9-15 feet):

Tubular frame construction 3/16" wall tongue and centre tube, 1/4" wall extension tubes, nine-foot tongue length, 1/2" x 6" bearing hangers, bearing mounted in hanger for rock protection, the bearing has a wide inner ring for more shaft contact, eccentric locking collar and duplex seal consisting of an oil-proof synthetic rubber seal and a steel slinger, greaseable flange, heavy duty ductile iron wheel retaining collar designed by HARCO, Grade 5 hardware, rear draw hitch.

BIG JIM's exclusive telescopic frame allows dealers to tailor packer width in-house.

**Colour Options: Red, Green & Blue, Orange**

## 16 Foot Single Gang Packer Specifications:

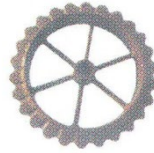

4" x 4" x 1/4" wall tubular construction, 11-foot tongue length, 1/2" x 6" bearing hangers, flat bar reinforced, bearings mount inside for rock protection, 2 centre bearing hangers, rear draw hitch.

## FORESTRY WINCHES

Twenty years in the forestry winch business has given Harco a tremendous insight into the needs of customers in Eastern Canada and U.S.A. We have designed our Big Jim series winch with that in mind and came up with a winch that is stronger in several areas & is more ergonomically appealing to the customer. Our brochure lists many significant improvements in winch design and we are sure you will find much lower cost of service and repair as the Big Jim Winch uses North American bearings, drive chains & sprockets.

### FW8800

## MULTI-PURPOSE GRAPPLE

The Big Jim Multi-Purpose Grapple is available with Frey, Alo, Skid Steer quick attach brackets and universal pin brackets (1" diameter pin). The grapple consists of 1" thick x 5" deep outside teeth and ¾" x 5" deep inner teeth. Teeth are tied together with 1 ¾" and 1" diameter round bars and reinforced with 4" x 2" x ¼" wall tubing on back side of grapple. Teeth are spaced on 12" centres to allow dirt to pass through, but still pick up branches, roots and many other objects. Several different upper claw options are available to suit the customer's specific requirements.

Basic unit includes 3000 PSI Canadian made hydraulic cylinders and hoses to reach centre of grapple. For complete specifications and dimensions please refer to literature.

### Uses:

- ▶ Brush raking or piling
- ▶ Log lifting, piling or loading
- ▶ Orchard pruning, etc.
- ▶ Round and square bale grabbing
- ▶ Moving loose hay and straw
- ▶ Moving scrap metal and tires
- ▶ Bind and dirt free trimming and blocking of tree tops

\*Recommended horsepower – 40HP to 120HP

# Mapleside Mfg. INC. Product Warranty

Mapleside. Mfg. INC. (Mapleside Mfg) stands behind the quality of our products and offers the following warranty to provide peace of mind to our valued customers:

## **Duration of Warranty:**

All new products manufactured by Mapleside Mfg are warranted to be free from defects in materials and/or workmanship for a comprehensive period of 2 years. This warranty is extended exclusively to the original end-user and becomes effective on the date the original end-user receives the product.

## **Coverage and Limitations:**

Mapleside Mfg's obligation under this warranty is limited to the repair or replacement of any part(s) proven to be defective in materials and/or workmanship under normal use and service. The determination of defects will be made by Mapleside Mfg through photographic evidence or other means as necessary.

"Normal use and service" refers to the usage consistent with the intended purpose of the goods and within conditions normally encountered through proper use. Any evidence of improper use, neglect, unauthorized repair, or alteration to the original design may void this warranty.

## **Warranty Claims Process:**

Warranty claims must be initiated through an authorized Mapleside Mfg dealer. The dealer is required to contact Mapleside Mfg and obtain authorization before conducting any warranty work. Failure to secure prior authorization may result in rejected warranty claims.

Mapleside Mfg reserves the right to modify specifications and/or designs at any time for any product for sale, without obligation to owners of previously purchased products.

## **Exclusions from Warranty:**

This warranty explicitly excludes the following items:

- Normal maintenance or adjustments
- Products lost or damaged during shipment
- Accessory items and parts not supplied by Mapleside Mfg

***All warranty claims must be discussed with an authorized employee of Mapleside Mfg prior to any repairs being performed.***

Mapleside Mfg makes no warranties beyond those expressly stated in this document, and no person is authorized to make any other warranties binding upon Mapleside Mfg with respect to products manufactured by Mapleside. Mfg. INC. Our commitment is to your satisfaction and the enduring quality of our products.

New vertical tillage concept by HCC Inc. features patented self sharpening tines in a three tine configuration followed by adjustable rolling harrows.

Unit can be purchased less the rolling harrows. Machines with harrows can be operated with harrows lifted or with varying rates of penetration and different angles allowing for varying finish results.

Extremely heavy frame and tongue provide excellent downward pressure. At the same time the rolling aerator tines are protected from impact by 'C' shanks.

Dual wheels are standard on all machines.

The following responsibilities are to be performed when the dealer delivers a product to the purchaser or otherwise places it into warranty service:

1. Complete the Warranty Registration Form and forward to Athens Plow Company, Inc. within 30 days of the sale of the product. Warranty reimbursement is contingent upon product registration.
2. Review warranty statement, operator's manual, and complete delivery report with purchaser to assure understanding of purchaser's responsibilities as related to warranty, service, and the proper and safe operation of the product. The purchaser should be advised to have failed parts repaired or replaced immediately upon failure and that continued use will result in additional damage and excessive wear.
3. Contact the manufacturer prior to beginning repair or replacement of failed parts to make certain that the cost of repairs are consistent with the value of the product when sold. Warranty requests for units in dealer's inventory may be submitted to Athens Plow Company, Inc. when defects are noted in the product prior to the retail sale of that unit.
4. Provide warranty and service repairs as directed by Athens Plow Company, Inc. instructions.
5. All warranty work must be completed within 30 days of failure. Notify Athens Plow Company, Inc. if repairs will require more than 30 days after failure for an extension. No claim will be accepted for warranties that exceed this 30-day period.
6. No warranty will be allowed on units delivered to the retail customer prior to the full payment of that unit to the manufacturer by the dealer.
7. If diagnostic time is required, contact Athens Plow Company, Inc. prior to beginning the warranty repair for approval. Travel time reimbursement must be approved by Athens Plow Company, Inc. prior to beginning the warranty repair.

### C. Athens Plow Company's Responsibilities

1. Reimbursement for parts used in warranty repair will be credited only when the parts are purchased from Athens Plow Company, Inc. Parts will be credited at dealer's net cost. No warranty will be allowed on parts that are past due.
2. Dealer should use parts from their parts inventory first. In the event that parts must be shipped from Athens Plow Company, Inc., freight will be paid for by Athens Plow Company, Inc. and will be shipped by the most economical means to arrive in the shortest possible time. Air, Next Day Air, Priority, and other special shipment methods requested by the dealer will be at the customer's expense.
3. Warranty Labor Reimbursement for labor expense to the dealer is made by payment of \$50.00 per shop hour. Repair times will be reviewed by Athens Plow Company, Inc. and may be adjusted to average repair time required by other dealers to make similar repairs.
4. Reimbursements for repairs made by outside sources (not dealer personal) will be made for those services deemed necessary for the resolution of the warranty by Athens Plow Company, Inc. Outside repair invoices must have approval from Athens Plow Company, Inc. and must be attached to the warranty claim after approval.

### D. Other Warranty Provisions

The following guidelines are to be followed when performing warranty repairs:

1. In all cases, the most economical repair should be performed unless otherwise directed. Credit will not be allowed for assemblies if it is practical to make the repair with individual parts. In some cases, the assembly price may be less than the total of the parts and labor required to complete the repair. In those cases, an assembly may be used.
2. Only those parts provided by Athens Plow Company, Inc. are covered under warranty. The use of parts from other sources will not be eligible for warranty consideration.
3. All parts removed during warranty repair should be held for a period of 60 days after the warranty claim has been submitted to Athens Plow Company, Inc. These parts can be discarded if the return request has not been made during this period. Parts that are returned upon request to Athens Plow Company, Inc. for which credit has not been issued can be returned upon dealer request within 30 days of claim disposition. These parts will be discarded after the 30-day period.
4. Athens Plow Company, Inc. reserves the right to deny or reverse all warranty claims for parts, labor, or miscellaneous charges when errors are found, warranty provisions are abused, or fraudulent claims are submitted.

5. Warranty reimbursement is not possible:
  - a. If parts returned are not cleaned and properly identified, or if they are damaged in return shipment due to poor packaging.
  - b. When failure falls under the "limitations" as identified in the Warranty Statement.
  - c. When Athens Plow Company, Inc. has requested the return of certain parts, assemblies, or information and has not received material within 30 days of date posted on return request.
  - d. On claims due to damage or shortage that are obviously the responsibility of the dealer or the delivering carrier.
  - e. On the entire claim when the warranty policy and provisions are not followed.

All dealers will warranty their technician's work to the purchaser and will indemnify Athens Plow Company Inc. from all such claims.

#### E. Use of Photos

Pictures should be attached to the dealer's claim when their inclusion will help identify the condition of the part being repaired or replaced, and thus assisting in the approval of the claim. In some cases, the use of photos may eliminate the need to return parts for evaluation. Photos will not be returned unless specifically requested.

#### F. Delayed Warranty Repairs

Warranty repairs should be scheduled and performed as soon as possible after notification to dealer and Athens Plow Company, Inc. There may be circumstances that require the use of the product for a short period of time by the retail customer or the availability of repair parts necessary to complete the repairs will require the work to extend past the 30-day period. In those cases, the dealer must notify Athens Plow Company, Inc. of the extenuating circumstance and advise that the continued use of the product will not enlarge the warranty claim. These claims will then be processed as if the product is still within the warranty period.

#### G. Denied Claims

Dealers will be notified of a denied claim that will state the reason for the denial. The dealer has the right to appeal this claim and must do so within 30 days of notification of denial. If there has been no appeal within the 30-day period, the Claim will be considered closed.

## LIMITED WARRANTY STATEMENT

Athens Plow Company, Inc. warrants each new Athens Plow Company, Inc. product to be free from defects in material and Workmanship. This warranty is applicable only for the normal service life expectancy of the product or components, not to exceed twelve consecutive months from the date of delivery of the new Athens Plow Company, Inc. product to the original purchaser. Athens Plow Company, Inc. reserves the right to make improvements in design or changes in specifications at any time, without incurring any obligation to owners of units previously sold.

Our obligation under this warranty shall be limited to repairing or replacing, free of charge to the original purchaser, any part that, in our judgment, shall show evidence of such defect, provided further that such part shall be returned within thirty (30) days from date of failure to Athens Plow Company, Inc., routed through the dealer from whom the purchase was made, transportation charges prepaid.

This warranty shall not be interpreted to render Athens Plow Company, Inc. liable for injury or damages of any kind or nature to person or property. This warranty does not extend to the loss of crops, loss because of delay in harvesting, or any expense or loss incurred for labor, substitute machinery, rental or for any other reason. Except as set forth above, Athens Plow Company, Inc. shall have no obligation or liability of any kind on account of any of its equipment and shall not be liable for special or consequential damages. Athens Plow Company, Inc. makes no other warranty, expressed or implied, and, specifically, Athens Plow Company, Inc. disclaims any implied warranty or merchantability or fitness for a particular purpose. Some states or provinces do not permit limitations or exclusions of implied warranties or incidental or consequential damages, so the limitations or exclusions in this warranty may not apply.

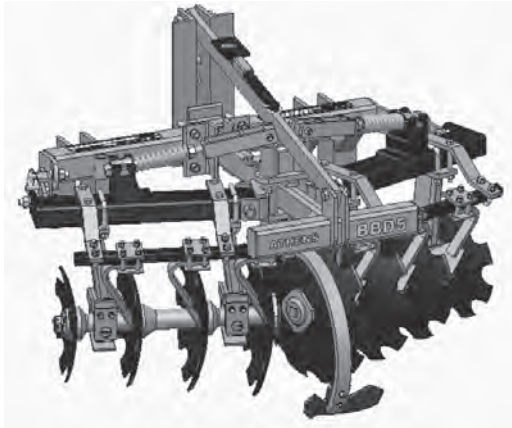

This warranty is subject to any existing conditions of supply which may directly affect our ability to obtain materials or manufacture replacement parts.

No one is authorized to alter, modify, or enlarge this warranty nor the exclusion, limitations, and reservations.

#### SPECIAL ORDERING INFORMATION:

##### SPRING BEARING HANGERS W/ TAPERED DOUBLE ROLLER BEARINGS

To order Spring Bearing Hangers, change the 7<sup>th</sup> digit from a 5 to 4, and add 31# and \$130.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

##### MANUAL LEVELING

To order a turnbuckle for Manual Leveling in place of a cylinder and hoses as listed in the price list, change the 10<sup>th</sup> digit for 16-23 disc units from "7" to "0" or for 24-33 disc units from "8" to "1" and deduct 13# and \$198.00.

##### UNITS WITHOUT AN EXTRA DISC ON RIGHT REAR

Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on the front and rear, change 4<sup>th</sup> and 5<sup>th</sup> digits to one number lower (as 17 to 16), and reduce the weight by 70# and reduce the price by \$85.00.

SPECIAL ORDER INFORMATION:

SPRING BEARING HANGERS WITH QUAD TAPERED DOUBLE ROLLER BEARINGS

To order Spring Bearing Hangers, change the 7<sup>th</sup> digit from a "5" to "4", and add 25# and \$130.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

## SPECIAL ORDER INFORMATION CONT'D

### MANUAL LEVELING

To order a turnbuckle for Manual Leveling in place of a cylinder and hoses as listed in the price list, change the 10<sup>th</sup> digit for 16-21 disc units from a "7" to "0", or for 22-29 disc units from an "8" to "1" and deduct 12# and \$198.00.

### UNITS WITHOUT AN EXTRA DISC ON RIGHT REAR

Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on the front and rear, change 4<sup>th</sup> and 5<sup>th</sup> digits to one number lower (as 17 to 16), reduce weight by 100# and reduce the price by \$117.00.

#### SPECIAL ORDERING INFORMATION:

##### SPRING BEARING HANGERS WITH QUAD TAPERED DOUBLE ROLLER BEARINGS

To order Spring Bearing Hangers, change the 7<sup>th</sup> digit from a "5" to "4" and add 31# and \$130.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

##### MANUAL LEVELING

To replace the cylinder and hoses w/ a turnbuckle, change the 10<sup>th</sup> digit from a "9" to "0" and deduct 13# and \$198.00.

##### UNITS WITHOUT AN EXTRA DISC ON RIGHT REAR

Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on the front and rear, change 4<sup>th</sup> and 5<sup>th</sup> digits to one number lower (as 33 to 32), reduce the weight by 70# and reduce the price by \$85.00.

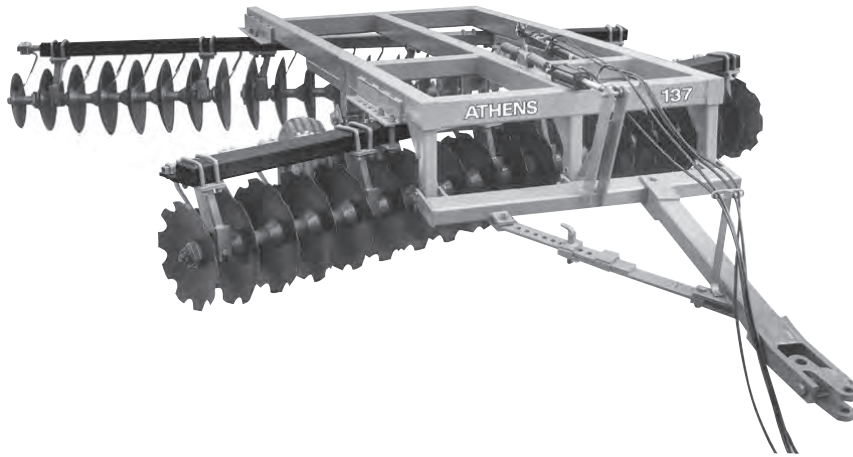

106166      AG LIGHT KIT      19#      \$500.00

RECOMMENDED TIRE SIZE: 11L x 15 (4 REQUIRED)

CAUTION: TIRES ARE RATED AT 20 MPH MAXIMUM.

#### SPECIAL ORDER INSTRUCTIONS:

##### SPRING BEARING HANGERS W/QUAD TAPERED DOUBLE ROLLER BEARINGS

To order Spring Bearing Hangers, Change the 7<sup>th</sup> digit from "5" to "4", and add 25# and \$130.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

##### UNITS WITHOUT AND EXTRA DISC ON RIGHT REAR

Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on front and rear, change 4<sup>th</sup> and 5<sup>th</sup> digits to one number lower (as 33 to 32), reduce weight by 107# and reduce price by \$117.00.

##### MANUAL LEVELING

To replace the cylinder and hoses w/ a turnbuckle, change the 10<sup>th</sup> digit from a "9" to "0" and deduct 13# and \$198.00.

Ferri is a leading international manufacturing company of boom mowers for grounds maintenance, slopes, river banks, and hedges. Flail Mowers and shredders for large and small excavators are available as well.

In addition to wholegoods and parts stocked by HARCO, the company supports North American after sale service, warranty and spare parts with a company warehouse in Massachusetts.

Due to the extensive line of models and options available the following price list gives base product prices only in USD (United States Dollars). For complete catalogue information (39 pages) contact your Harco Territory Manager, our sales desk at Harriston, or [www.ferri-america.com](http://www.ferri-america.com).
