Big Jim MANUFACTURING

WHEEL PACKERS

Manufactured in-house at Harco Ag Equipment, Big Jim Packers are designed to give you greater durability and feature adjustable frames up to 15' models to permit exact matching of packer width to customer requirements. Our "DUCTILE WHEELS" are a top quality, thicker, heavier wheel which is a major improvement in reducing wheel breakage. For wider models, please inquire.

Standard Equipment:

High Quality Ductile Wheels, centre bearing 9 feet and up, adjustable frame 9-15 feet, 3-year limited warranty on ductile packer wheels.

Single Gang Specifications (9-15 feet):

Tubular frame construction 3/16" wall tongue and centre tube, ¼" wall extension tubes, nine-foot tongue length, ½" x 6" bearing hangers, bearing mounted in hanger for rock protection, the bearing has a wide inner ring for more shaft contact, eccentric locking collar and duplex seal consisting of an oil-proof synthetic rubber seal and a steel slinger, greaseable flangette, heavy duty ductile iron wheel retaining collar designed by HARCO, Grade 5 hardware, rear draw hitch.

BIG JIM's exclusive telescopic frame allows dealers to tailor packer width in-house.

Colour Options: Red, Green & Blue, Orange

16 Foot Single Gang Packer Specifications:

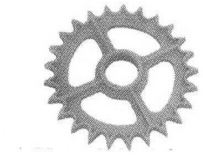

4" x 4" x ¼" wall tubular construction, 11-foot tongue length, ½" x 6" bearing hangers, flat bar reinforced, bearings mount inside for rock protection, 2 centre bearing hangers, rear draw hitch.

FORESTRY WINCHES

Twenty years in the forestry winch business has given Harco a tremendous insight into the needs of customers in Eastern Canada and U.S.A. We have designed our Big Jim series winch with that in mind and came up with a winch that is stronger in several areas & is more ergonomically appealing to the customer. Our brochure lists many significant improvements in winch design and we are sure you will find much lower cost of service and repair as the Big Jim Winch uses North American bearings, drive chains & sprockets.

Big Jim MANUFACTURING

MADE IN CANADA / FABRIQUÉ AU CANADA

MULTI-PURPOSE GRAPPLE

The Big Jim Multi-Purpose Grapple is available with Frey, Alo, Skid Steer quick attach brackets and universal pin brackets (1" diameter pin). The grapple consists of 1" thick x 5" deep outside teeth and ¾" x 5" deep inner teeth. Teeth are tied together with 1 ¾" and 1" diameter round bars and reinforced with 4" x 2" x ¼" wall tubing on back side of grapple. Teeth are spaced on 12" centres to allow dirt to pass through, but still pick up branches, roots and many other objects. Several different upper claw options are available to suit the customer's specific requirements.
Basic unit includes 3000 PSI Canadian made hydraulic cylinders and hoses to reach centre of grapple. For complete specifications and dimensions please refer to literature.

Uses:

- ► Brush raking or piling
- ► Log lifting, piling or loading
- ► Orchard pruning, etc.
- ► Round and square bale grabbing
- ► Moving loose hay and straw
- ► Moving scrap metal and tires
- ► Bind and dirt free trimming and blocking of tree tops

*Recommended horsepower – 40HP to 120HP

Section 1 – Choose a Grapple

Model	Description		Approx. Weight (lbs.)	Price
BJMPG05	5 Foot Basic	Units include cylinder & hoses to centre of grapple	527	$3,018.00
BJMPG06	6 Foot Basic		611	$3,216.00
BJMPG07	7 Foot Basic		695	$3,413.00

Section 2 – Choose a Claw Option

Model	Description	Approx. Weight (lbs.)	Price
BJMPGSC	Single Claw (2 Required)	35 each	$293.00 each
BJMPGDC	Double Claw (2 Required)	78 each	$424.00 each
BJMPG3CS-05	3 Claw Solid Assembly – for 5' Base Unit	237	$1,145.00

Mapleside Mfg. INC. Product Warranty

Mapleside. Mfg. INC. (Mapleside Mfg) stands behind the quality of our products and offers the following warranty to provide peace of mind to our valued customers:

Duration of Warranty:

All new products manufactured by Mapleside Mfg are warranted to be free from defects in materials and/or workmanship for a comprehensive period of 2 years. This warranty is extended exclusively to the original end-user and becomes effective on the date the original end-user receives the product.

Coverage and Limitations:

Mapleside Mfg's obligation under this warranty is limited to the repair or replacement of any part(s) proven to be defective in materials and/or workmanship under normal use and service. The determination of defects will be made by Mapleside Mfg through photographic evidence or other means as necessary.

"Normal use and service" refers to the usage consistent with the intended purpose of the goods and within conditions normally encountered through proper use. Any evidence of improper use, neglect, unauthorized repair, or alteration to the original design may void this warranty.

Warranty Claims Process:

Warranty claims must be initiated through an authorized Mapleside Mfg dealer. The dealer is required to contact Mapleside Mfg and obtain authorization before conducting any warranty work. Failure to secure prior authorization may result in rejected warranty claims.

Mapleside Mfg reserves the right to modify specifications and/or designs at any time for any product for sale, without obligation to owners of previously purchased products.

Exclusions from Warranty:

This warranty explicitly excludes the following items:

- Normal maintenance or adjustments
- Products lost or damaged during shipment
- Accessory items and parts not supplied by Mapleside Mfg

All warranty claims must be discussed with an authorized employee of Mapleside Mfg prior to any repairs being performed.

Mapleside Mfg makes no warranties beyond those expressly stated in this document, and no person is authorized to make any other warranties binding upon Mapleside Mfg with respect to products manufactured by Mapleside. Mfg. INC. Our commitment is to your satisfaction and the enduring quality of our products.

SCHMEISER® Farm Equipment

SMART-TILL

New vertical tillage concept by HCC Inc. features patented self sharpening tines in a three tine configuration followed by adjustable rolling harrows.

Unit can be purchased less the rolling harrows. Machines with harrows can be operated with harrows lifted or with varying rates of penetration and different angles allowing for varying finish results.

Extremely heavy frame and tongue provide excellent downward pressure. At the same time the rolling aerator tines are protected from impact by 'C' shanks.

Dual wheels are standard on all machines.

SMART-TILL

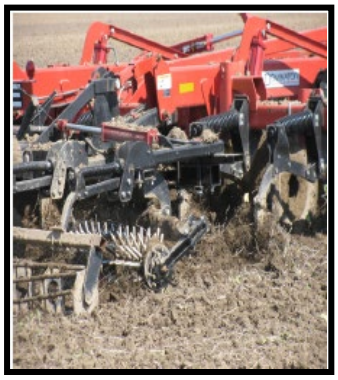

Model	Width	Weight (lbs)	Set Up	MSRP [USD]
SMT 101	10 Feet Less Rolling Harrows	3,350	$200.00	$31,540.00

Version 17.0 SWGPC260115

T. G. SCHMEISER CO., INC.

TERMS & CONDITIONS OF SALE

Minimum Order: $50.00 Net

Freight: F.O.B. Factory

Prices: Subject to change without notice. All shipments will be at prevailing prices on the date of order.

Ordering Policy:

1. **Wholegoods** - All wholegood orders will be confirmed back to customer by order acknowledgement via fax or email. All orders will be built according to the written order acknowledgement. If the order acknowledgement is incorrect, call immediately to correct the order. If, after ordering, you have not received an acknowledgement, your order may not have been booked. Please call our office to confirm your order.
2. **Parts**- Most parts ship out the same day if orders are placed by 2:00 p.m. All parts will be shipped out via UPS (prepaid and add) or truckline (freight collect) unless otherwise noted. No order acknowledgement will be sent unless requested. If account is not current, then the order will be shipped C.O.D.

Order Changes: Wholegood orders changed or modified after production has begun may incur a change charge.

Knocked Down or Assembled: Our products are shipped "knocked down". This simply means that our wholegood products are disassembled enough to safely fit on a truck (flatbed). The pricelist will indicate assembly charges for each product line. If you wish to have your order completely assembled, a net charge will apply.

Return Policy: No product or part may be returned for credit unless written authorization by T.G. Schmeiser Co., Inc. has been given in advance. All returned items must have an RMA (Return Material Authorization) number clearly written on the packing list and on the exterior of package. If an item does not have an RMA number, shipment will not be accepted and credit will not be given. All returned items must be shipped prepaid.

1. **Wholegoods** - Wholegood items that are standard built may be returned for credit with advanced written authorization. Items shall be new and in unused condition.
   Many wholegoods are custom built or special order items.
   These are either non-returnable or subject to a re-stocking charge, depending on how specialized the order.
2. **Parts** - All parts that have been ordered within the last 12 months (and are listed in the current parts price list) may be returned for credit. Parts shall be new and in unused condition. Items that are obsolete or superseded may be returned, only if listed on current parts pricelist.

Past Due Accounts: Accounts past due will be placed on C.O.D. or hold until brought current or satisfactory arrangements are made for payment. Interest of 1-1/2% per month (annual rate 18%), or such other rate allowed by state law, can be charged on past due accounts.

Damages or Shortages in Shipping: We make every effort to see that equipment and/or parts are loaded on the carrier's vehicle properly, however the ultimate responsibility of securing load and transportation is that of the carrier. T.G. Schmeiser Co. is not liable for damage or loss of merchandise once it has left our yard. Dealer is solely responsible for filing claims against the carrier for any loss or damage. Schmeiser will help you in securing an adjustment for the loss or damage, providing you have filed a claim with the carrier. Claims for shortages in shipments or concealed damage must be made within 10 days of receipt of goods.

Warranty: All Wholegood items are subject to the Schmeiser 12 month **Limited Written Warranty**.Warranty cards must be submitted within 30 days of sale to retail customer to be eligible. All warranty work must be pre-approved. Schmeiser/Dealer warranty policy is available by calling the factory.

T.G. Schmeiser reserves the right to make improvements in the design and changes in specifications at any time without incurring any obligation to install them on units previously sold.

TERMS AND DISCOUNTS FOR WHOLEGOODS
ATHENS PLOW COMPANY, INC.

Eligible Items:

Items eligible for Wholegoods Discounts are serial-numbered units and extra equipment accessories ordered with or for that unit.

Trade Discount for Eligible Wholegoods Items:

Regular Open Account – 25%
Preseason (90 days) – 25%

Cash Discounts:

A. Regular Open Account - 5% if paid 30 days from date of invoice. Net 31.
B. Regular Preseason - 10% if paid 30 days from date of invoice. Net 31.
C. Volume Discount:
   a) 5% extra cash discount for orders more than $100,000 (open account) @ list, if paid 30 days from date of invoice.
   b) 5% extra cash discount for additional wholegoods for the remainder of the calendar year.
D. No discount will be allowed on current invoices if any invoices are past due.
E. Government Agency Discount applies to all units. Government Agency Discount is an additional 5% (Maximum discount of 5% Cash and Government). Government discount applies if paid 30 days from date of invoice. A copy of the Government Purchase Order must accompany the dealer remittance to earn the special discount. Eligible agencies include any department of Federal, State, County or City Government, Soil Conservation, Fish and/or Wildlife, Drainage and Water Districts.

GENERAL STATEMENTS AS TO TERMS AND DISCOUNTS

No cash discount is allowed on warranty pending items.

Payment is due immediately for retailed units: units that have been removed from dealer's main place of business, items that have been used or not adequately protected against devaluation, or due date of invoice, whichever is earlier.

Past due invoices are subject to a 1.5% per month interest charge or the maximum allowable per law, whichever is less.

It is the dealer's responsibility to see that discounted payments reach our office on or before the due dates specified to receive discounts.

All prices are F.O.B. Athens Plow Company.

RETURNED GOODS

WHOLEGOODS

Returns must be approved by Athens Plow Co., Inc. When approved for return, the dealer must prepay shipping costs. Credit will be issued at original invoice amount less applicable cash discount. There will be a restocking charge of 20%.

MERCHANDISE RECEIPT

Any variation between items ordered and shipped and actual items received must be reported to Athens Plow as soon as the variation is recognized and no later than 30 days after receipt of shipment.

All shipments are made F.O.B. our Shipping Dock. All claims regarding the errors, shortages, and/or damages in shipment are the responsibility of the consignee and should be filed with the delivering carrier.

Effective January 1, 2026

WARRANTY POLICY GUIDE
ATHENS PLOW COMPANY, INC.

A. The Purpose of Warranty

Warranty assures the purchaser that should a defect in material or workmanship occur during the warranty period, Athens Plow Company, Inc. will assume specific repair responsibilities, as listed in the warranty statement. The warranty statement is to be provided to each purchaser of each piece of new equipment. Warranty begins on the date the product is delivered to the original purchaser of the product. Once the warranty period has begun, it cannot be stopped or interrupted.

B. Dealer Responsibilities

The following responsibilities are to be performed when the dealer delivers a product to the purchaser or otherwise places it into warranty service:

1. Complete the Warranty Registration Form and forward to Athens Plow Company, Inc. within 30 days of the sale of the product. Warranty reimbursement is contingent upon product registration.
2. Review warranty statement, operator's manual, and complete delivery report with purchaser to assure understanding of purchaser's responsibilities as related to warranty, service, and the proper and safe operation of the product. The purchaser should be advised to have failed parts repaired or replaced immediately upon failure and that continued use will result in additional damage and excessive wear.
3. Contact the manufacturer prior to beginning repair or replacement of failed parts to make certain that the cost of repairs are consistent with the value of the product when sold. Warranty requests for units in dealer's inventory may be submitted to Athens Plow Company, Inc. when defects are noted in the product prior to the retail sale of that unit.
4. Provide warranty and service repairs as directed by Athens Plow Company, Inc. instructions.
5. All warranty work must be completed within 30 days of failure. Notify Athens Plow Company, Inc. if repairs will require more than 30 days after failure for an extension. No claim will be accepted for warranties that exceed this 30-day period.
6. No warranty will be allowed on units delivered to the retail customer prior to the full payment of that unit to the manufacturer by the dealer.
7. If diagnostic time is required, contact Athens Plow Company, Inc. prior to beginning the warranty repair for approval. Travel time reimbursement must be approved by Athens Plow Company, Inc. prior to beginning the warranty repair.

C. Athens Plow Company's Responsibilities

1. Reimbursement for parts used in warranty repair will be credited only when the parts are purchased from Athens Plow Company, Inc. Parts will be credited at dealer's net cost. No warranty will be allowed on parts that are past due.
2. Dealer should use parts from their parts inventory first. In the event that parts must be shipped from Athens Plow Company, Inc., freight will be paid for by Athens Plow Company, Inc. and will be shipped by the most economical means to arrive in the shortest possible time. Air, Next Day Air, Priority, and other special shipment methods requested by the dealer will be at the customer’s expense.
3. Warranty Labor Reimbursement for labor expense to the dealer is made by payment of $50.00 per shop hour. Repair times will be reviewed by Athens Plow Company, Inc. and may be adjusted to average repair time required by other dealers to make similar repairs.
4. Reimbursements for repairs made by outside sources (not dealer personal) will be made for those services deemed necessary for the resolution of the warranty by Athens Plow Company, Inc. Outside repair invoices must have approval from Athens Plow Company, Inc. and must be attached to the warranty claim after approval.

D. Other Warranty Provisions

The following guidelines are to be followed when performing warranty repairs:

1. In all cases, the most economical repair should be performed unless otherwise directed. Credit will not be allowed for assemblies if it is practical to make the repair with individual parts. In some cases, the assembly price may be less than the total of the parts and labor required to complete the repair. In those cases, an assembly may be used.
2. Only those parts provided by Athens Plow Company, Inc. are covered under warranty. The use of parts from other sources will not be eligible for warranty consideration.
3. All parts removed during warranty repair should be held for a period of 60 days after the warranty claim has been submitted to Athens Plow Company, Inc. These parts can be discarded if the return request has not been made during this period. Parts that are returned upon request to Athens Plow Company, Inc. for which credit has not been issued can be returned upon dealer request within 30 days of claim disposition. These parts will be discarded after the 30-day period.
4. Athens Plow Company, Inc. reserves the right to deny or reverse all warranty claims for parts, labor, or miscellaneous charges when errors are found, warranty provisions are abused, or fraudulent claims are submitted.

5. Warranty reimbursement is not possible:
   a. If parts returned are not cleaned and properly identified, or if they are damaged in return shipment due to poor packaging.
   b. When failure falls under the "limitations" as identified in the Warranty Statement.
   c. When Athens Plow Company, Inc. has requested the return of certain parts, assemblies, or information and has not received material within 30 days of date posted on return request.
   d. On claims due to damage or shortage that are obviously the responsibility of the dealer or the delivering carrier.
   e. On the entire claim when the warranty policy and provisions are not followed.
   <u>All dealers will warranty their technician's work to the purchaser and will indemnify Athens Plow Company Inc. from all such claims.</u>

E. Use of Photos

Pictures should be attached to the dealer's claim when their inclusion will help identify the condition of the part being repaired or replaced, and thus assisting in the approval of the claim. In some cases, the use of photos may eliminate the need to return parts for evaluation. Photos will not be returned unless specifically requested.

F. Delayed Warranty Repairs

Warranty repairs should be scheduled and performed as soon as possible after notification to dealer and Athens Plow Company, Inc. There may be circumstances that require the use of the product for a short period of time by the retail customer or the availability of repair parts necessary to complete the repairs will require the work to extend past the 30-day period. In those cases, the dealer must notify Athens Plow Company, Inc. of the extenuating circumstance and advise that the continued use of the product will not enlarge the warranty claim. These claims will then be processed as if the product is still within the warranty period.

G. Denied Claims

Dealers will be notified of a denied claim that will state the reason for the denial. The dealer has the right to appeal this claim and must do so within 30 days of notification of denial. If there has been no appeal within the 30-day period, the Claim will be considered closed.

LIMITED WARRANTY STATEMENT

Athens Plow Company, Inc. warrants each new Athens Plow Company, Inc. product to be free from defects in material and Workmanship. This warranty is applicable only for the normal service life expectancy of the product or components, not to exceed twelve consecutive months from the date of delivery of the new Athens Plow Company, Inc. product to the original purchaser. Athens Plow Company, Inc. reserves the right to make improvements in design or changes in specifications at any time, without incurring any obligation to owners of units previously sold.

Our obligation under this warranty shall be limited to repairing or replacing, free of charge to the original purchaser, any part that, in our judgment, shall show evidence of such defect, provided further that such part shall be returned within thirty (30) days from date of failure to Athens Plow Company, Inc., routed through the dealer from whom the purchase was made, transportation charges prepaid.

This warranty shall not be interpreted to render Athens Plow Company, Inc. liable for injury or damages of any kind or nature to person or property. This warranty does not extend to the loss of crops, loss because of delay in harvesting, or any expense or loss incurred for labor, substitute machinery, rental or for any other reason. Except as set forth above, Athens Plow Company, Inc. shall have no obligation or liability of any kind on account of any of its equipment and shall not be liable for special or consequential damages. Athens Plow Company, Inc. makes no other warranty, expressed or implied, and, specifically, Athens Plow Company, Inc. disclaims any implied warranty or merchantability or fitness for a particular purpose. Some states or provinces do not permit limitations or exclusions of implied warranties or incidental or consequential damages, so the limitations or exclusions in this warranty may not apply.

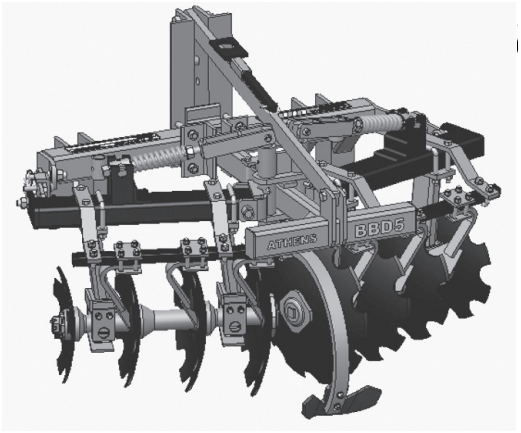

This warranty is subject to any existing conditions of supply which may directly affect our ability to obtain materials or manufacture replacement parts.

No one is authorized to alter, modify, or enlarge this warranty nor the exclusion, limitations, and reservations.

ATHENS BBD5/BBD6
LIFT-TYPE DISK HARROW

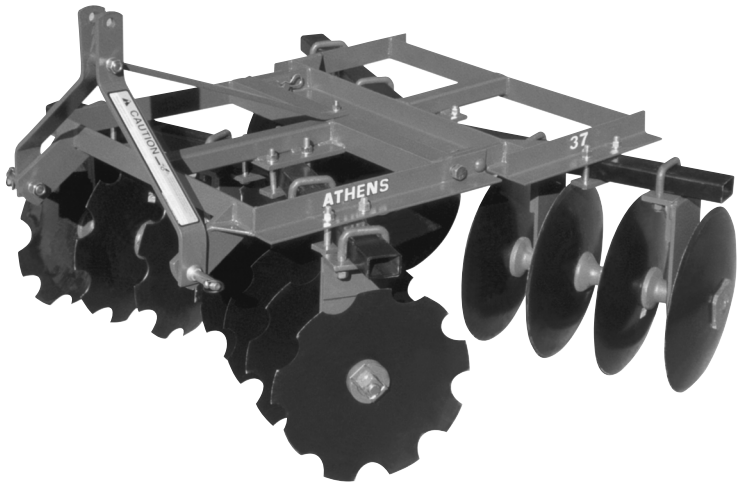

SPECIFICATIONS:

Cutting Width – 5' 0" & 6' 6"
Disc Spacing – 9"
Disc Diameter – 22" C/O Tapered
Cat. II Free Link or Quick Coupler
Relube Ball Bearings
Rigid or Spring Bearing Hangers
1 ¼" Cold Rolled Square Gang Axle with Gang Wrench
Adjustable Angle of Cut 15° and 18°
Heavy Duty Scrapers
Balk Buster

SPECIAL ORDERING INFORMATION:

SPRING BEARING HANGERS W/ TAPERED DOUBLE ROLLER BEARINGS

To order Spring Bearing Hangers, change the 7th digit from a 5 to 4, and add 31# and $135.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

MANUAL LEVELING

To order a turnbuckle for Manual Leveling in place of a cylinder and hoses as listed in the price list, change the 10th digit for 16-23 disc units from "7" to "0" or for 24-33 disc units from "8" to "1" and deduct 13# and $208.00.

UNITS WITHOUT AN EXTRA DISC ON RIGHT REAR

Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on the front and rear, change 4th and 5th digits to one number lower (as 17 to 16), and reduce the weight by 70# and reduce the price by $85.00.

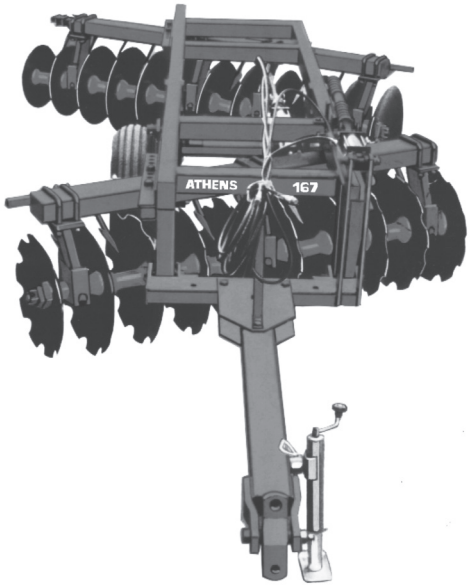

EXTRA EQUIPMENT	APX WT	SUGST PRICE
9-127-605156 DUAL WHEELS FOR 16-23 DISC UNITS (DUAL WHEELS STANDARD ON 9' 6" AND UP)	82#	$899

SPECIAL ORDERING INFORMATION:

SPRING BEARING HANGERS WITH QUAD TAPERED DOUBLE ROLLER BEARINGS
To order Spring Bearing Hangers, change the 7th digit from a "5" to "4" and add 31# and $135.00 per bearing to weights and prices for units with QUAD Tapered Double Roller Bearings.

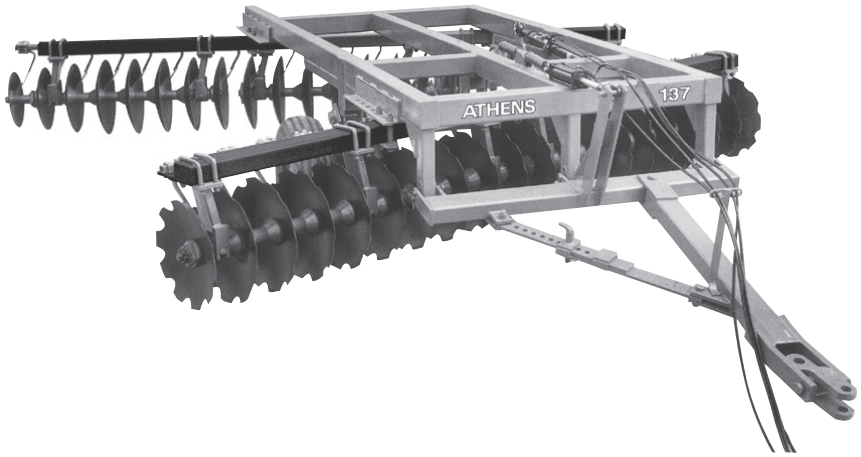

MANUAL LEVELING
To replace the cylinder and hoses w/ a turnbuckle, change the 10th digit from a "9" to "0" and deduct 13# and $208.00.

UNITS WITHOUT AN EXTRA DISC ON RIGHT REAR
Units shown in the price list have an extra disc on the right rear and are strongly recommended by ATHENS to improve performance, reduce the need for adjustments, and to allow disking back and forth without an open furrow. To order units with the same number of discs on the front and rear, change 4th and 5th digits to one number lower (as 33 to 32), reduce the weight by 70# and reduce the price by $85.00.

106166 AG LIGHT KIT 19# $500.00

RECOMMENDED TIRE SIZE: 11L x 15 (4 REQUIRED)
CAUTION: TIRES ARE RATED AT 20 MPH MAXIMUM.
***PRICE DOES NOT INCLUDE TIRES.**

Athens Plow Company

ATHENS :: TENNESSEE

Athens Plow Company was founded in 1921 by Elbert L. Willson and was managed by William P. Willson and James H. Willson until being sold to Rhino Products in 1973. William L. Willson, the grandson of Elbert Willson, stayed on as Plant Manager for Servis-Rhino. Rhino then moved the Athens operations to Dallas, TX in 1985. Just three years later, in 1988, the Alamo Group decided to get out of the tillage equipment business. By then, the plant in Athens, TN had been closed and production moved first to Dallas and then to Holton, Kansas, where Alamo's BMB manufacturing operation was located. William Willson saw an opportunity he could not pass on. He and a few investors in the Athens area bought the business and trucked everything back to Athens, where the facility had been vacant for several years. Willson purchased the old plant and began operating in the spring of 1988.

ATHENS currently manufactures 24 different models of tillage tools out of the original Athens, Tennessee plant including a chisel plow, levee plow, and a wide variety of disc harrows. Striving to maintain a continuing commitment to service, ATHENS offers an availability and quality that cannot be matched. With very few exceptions, an order placed for a disc harrow is shipped within 24-48 hours. The inventory we warehouse for our farm equipment dealers across the United States has positioned ATHENS as one of the few, if not the only, tillage company with immediate availability. If you desire person-to-person communication, unmatched availability, and a quality product, make ATHENS your tillage choice.

Athens Plow Company,Inc., P.O. Box 609, Athens, Tennessee 37371-0609 • For more information, call 423-744-7569

Bale Buddy 2000

The Bale Buddy 2000 was designed to allow hay to be baled while there is up to 60% moisture in the hay. When the weather is uncooperative, this will save time waiting for the hay to dry and product with less hay spoilage.

Bale Buddy 2000 Specs

SPECS	VALUE
LENGTH	72" (183cm)
WIDTH	40" (102cm) BASE
	104" (264cm) TOP
HEIGHT	90" (229cm)
WEIGHT	853 lbs. (382 kg)
BALE SIZE	4x5 or 5x6
CONNECTIONS	14 Pin
WRAP	Standard Film Wrap
HYDRAULICS	Auxillary Hydraulics

FERRI

Ferri is a leading international manufacturing company of boom mowers for grounds maintenance, slopes, river banks, and hedges. Flail Mowers and shredders for large and small excavators are available as well.
In addition to wholegoods and parts stocked by HARCO, the company supports North American after sale service, warranty and spare parts with a company warehouse in Massachusetts.
Due to the extensive line of models and options available the following price list gives base product prices only in USD (United States Dollars). For complete catalogue information (39 pages) contact your Harco Territory Manager, our sales desk at Harriston, or www.ferri-america.com.

Teagle

Tomahawk 500FS (Feed Slide)

Description
See T505M / T5050 with the following benefits:
• Non-stop processing for high output up to 4 tons/hr
• Straightforward loading and removal of bale net / twine
• For round bales up to 5ft, or rectangular bales up to 4ft x 4ft x 8ft
• Feed slide cannot be retrofitted and is not available for T404M / T4040

Specifications
· Wide Angle PTO Standard
· 3 Pt. Cat 2 /3 **NEW**
· Drum flow control valve Standard
· Hydraulic control of feed slide angle
· Tractor 140hp (mounted)
· Tractor 80hp (trailed option)
· 3 hydraulic services required
· Weight : T505FSM 2778lbs / T5050FS 2980lbs

Additional Information is available on the Teagle website

Item	Part Number	Description	Price
Base machine T505M	T505FSM	Tomahawk 505M with 1.85m drum and feed slide & hydraulic top link.	$49,840.00
Base machine T5050	T5050FS	Tomahawk 5050 with 1.85m drum and feed slide & hydraulic top link	$48,265.00

Teagle — Tomahawk Trailed Chassis

Description
A trailed chassis to fit all models of Drum Tomahawks. Recommended for smaller tractors or for improved maneuverability.
· Not for Highway Use
· Pivoting axle to set drum angle
· Includes extension hydraulic hoses for Drum Tomahawk

Specifications
· Lower Link Beam as Standard
· Ring Hitch included
· Check valves in hydraulic rams
· 10.5x15 6 Stud Wheels and Tires
· Weight 970lbs.
· Tractor requires 1 x double acting service for chassis and 1 double acting for Tomahawk.

Additional Information is available on the Teagle website

Item	Part Number	Description	Price
Base machine	RDC	Trailed Chassis for use with drum Machines	$12,478.00
PTO Options			
6 Spline WAJ PTO - in lieu*	PTO8130	Upgrade the standard PTO to WAJ (at machine end)	$1,505.00
6 Spline WAJ PTO - retrofit	PTO8130	Upgrade the standard PTO to WAJ (at machine end)	$3,360.00

* must be ordered at same time as Drum Tomahawk. Note WAJ PTO standard with T500B.

Teagle — Tomahawk C12

Description

High Capacity bale processor for precision milling of dry materials such as straw for livestock feeding and bedding.

- 6.5ft Diameter Round Bales
- 4ft. x 4ft x 8ft Rectangular Bales
- Suitable for Dry Materials <20% moisture content
- Includes 6 quick change screens
- Auto Greasing System

Specifications

- Trailed Machine with air/ hyd. brakes
- Shear Bolt & Overrun Clutch PTO 1000rpm
- Clevis Hitch Drawbar
- Road Lights
- Bluetooth Electric Controls
- Homologated to 25 mph
- Min PTO 180HP
- Weight 9240 lbs.

Additional Information is available on the Teagle website

Teagle — TOMAHAWK 6100H

Description
- Spread bales of straw using a Telehandler / Tractor
- Hydraulic Folding Bale Clamp Opt.
- **Stop / Start Fan Control**
- Max. 5' Diameter Round Bales
- Half a 4' x 4' x 8' Rectangular Bale
- Suitable for **Straw and dry materials**
- Max. Spreading distance 40'
- NO PTO REQUIRED!

Specifications
- Minimum handler capacity 1.4 tons
- Minimum handler oil flow 40 l/min (10.5 gal/min). Improve performance at 50l/min (13.2gal/min)
- Minimum handler oil pressure 160 bar (2320psi)
- Bluetooth Electric Controls
- Weight without brackets : 1713/1892 lbs without/with bale clamp.

Additional Information is available on the Teagle website

Item	Part Number	Description	Price
Base machine	T6100H **NEW**	Tomahawk 6100H - Hydraulic drive straw spreader	$37,048.00

AG SHIELD

Date Change Only

TerraFormer (Earth Mover)

Features Include:	**Standard Equipment:**
▪ Infinite blade adjustments from 12 to 28 feet. ▪ Under 12 foot transport width. ▪ Auto grade & auto slope ready. ▪ Hydraulic cylinder protection circuits.	▪ Hardened, industry standard cutting edges. ▪ Height & tilt indicator. ▪ Industrial cylinders. ▪ LED warning strobe package.

Optional Equipment:
- SD Drain autograde & slope control.
- Scraper style hitch.
- Electric over hydraulic multipliers or valves.
- Complete RTK systems.

Model #	Description	Weight	In Freight	MSRP [CDN]
886500	8650 – 11K# Ag Hitch, Six Hydraulic Functions			$183,600.00
887001	Scraper Hitch Kit – Case/NH Pattern			$5,347.00
887004	5th Wheel Transport Hitch			$3,087.00
887005	Hydraulic Valve Multiplier for 5 Valve Tractors			$1,654.00
887006	Hydraulic Valve Multiplier for 4 Valve Tractors			$3,308.00
887007	6 Electric Proportional Hydraulic Valve for Tractors w/Manual Valves			$19,845.00
887100	SD Drain Wireless Machine Control Package (Grade Only)			$18,191.00
887101	SD Drain Extreme Duty Wired Machine Control Package (Grade Only)			$18,853.00
887105	DAC2x2 Slope Control Kit & Unlock for SD Drain			$2,977.00
887200	ADMS Watershed Software w/1 year license & support			$3,445.00
	Factory Set-up – Tow Configuration			$4,725.00

SMV SIGNS

Harco SMV signs are high quality, locally made signs from dedicated craftsmen. Our regular signs are priced competitively with those of mass merchants and meet current requirements. High Visibility signs have more resolution for better visibility. Keep your customers, families and employees safe by always using signs that are current and in good condition.

PolyTech Plastic Wear Products

Keeping your equipment operating at peak efficiency is vital in today's agricultural market. Poly Tech manufactures a full line of products including corn head liners, grain tank liners, grain and auger bed trough liners and much more to ensure you always get top performance.

Every one of our products is rigorously tested in real-world conditions and designed to fit perfectly on a wide variety of equipment brands.

We offer a complete line of polymer wear products for plows, combine headers and many other applications. Featured within these pages are some of our most common selling items. If you would like to see a full catalogue please contact your Territory Manager.

Please note, catalogue prices are in U.S. Dollars, so it is best to contact our Parts Department for pricing either through our website or email to parts@harcoag.ca.
