## Reach Length Guide

**For Farm Boss, Regular Duty, Bale King & Round Bale Racks**

**Please select correct reach pole length if ordering running gear directly from Horst Welding**

**Please note, for Horst model 145 wagons ONLY:**
**The optional 10' round reach pole is required if putting a 16', 18', or 20' rack on top**

| Rack Length | Round Reach Poles | Square Reach Poles |
|---|---|---|
| 36 foot rack length | 24' reach length | 22' reach length |
| 32 foot rack length | 22' reach length | 20' reach length |
| 30 foot rack length | 20' reach length | 18' reach length |
| 28 foot rack length | 18' reach length | 16' reach length |
| 26 foot rack length | 18' reach length | 16' reach length |
| 24 foot rack length | 16' reach length | 14' reach length |
| 22 foot rack length | 16' reach length | 14' reach length |
| 20 foot rack length | 14' reach length | N/A |
| 18 foot rack length | 12' reach length | N/A |
| 16 foot rack length | 11' reach length | N/A |

## Round Bale Rack - Bar Spacing & Bale Capacity

| 4' diameter bales | | | |
|---|---|---|---|
| **Rack Length** | **Bar Spacing** | **# of Bars** | **Bale Capacity** |
| 20 feet | ~25.5 inches | 10 bars / 5 sets | 14 (5+5+4) |
| 24 feet | ~25.5 inches | 12 bar / 6 sets | 17 (6+6+5) |
| 30 feet | ~27 inches | 14 bars / 7 sets | 20 (7+7+6) |
| 36 feet | ~25 inches | 16 bars / 8 sets | 23 (8+8+7) |

| 5' diameter bales | | | |
|---|---|---|---|
| **Rack Length** | **Bar Spacing** | **# of Bars** | **Bale Capacity** |
| 20 feet | ~33 inches | 8 bars (4 sets) | 11 (4+4+3) |
| 24 feet | ~31 inches | 10 bars / 5 sets | 14 (5+5+4) |
| 30 feet | ~32 inches | 12 bar / 6 sets | 17 (6+6+5) |
| 36 feet | ~32.75 inches | 14 bars / 7 sets | 20 (7+7+6) |

| 6' diameter bales | | | |
|---|---|---|---|
| **Rack Length** | **Bar Spacing** | **# of Bars** | **Bale Capacity** |
| 20 feet | ~45 inches | 6 bars (3 sets) | 8 (3+3+2) |
| 24 feet | ~40 inches | 8 bars (4 sets) | 11 (4+4+3) |
| 30 feet | ~39 inches | 10 bars / 5 sets | 14 (5+5+4) |
| 36 feet | ~ 38.5 inches | 12 bar / 6 sets | 17 (6+6+5) |

**When customers order one of our bale racks with a rear light kit, the rear light kit will now include a rear plug, which allows a second wagon with lights to be connected to the first, so all taillights work together.**

| Approximate weight | 10,275 lbs |

# One Year Limited Warranty

JBM warrants all new products that we manufacture to be free of defects in materials and workmanship for a period of 1 year*, under normal use and service.

JBM's obligation under this warranty shall be limited to the repair or replacement of any product or component of a product, proven to be defective in materials or workmanship under normal use and service.

"Normal use and service" means usage in a manner for which such goods are generally used, and in a manner which does not subject the equipment to conditions outside of those normally imposed through proper use. Evidence of improper use, neglect, unapproved repair, or alteration to the original design of JBM products will void this warranty.

**Customers** should contact the local dealer from which they purchased the product if issues develop within the warranty period. Only JBM authorized dealers may make repairs to a product or initiate the repair or replacement of defective parts, unless otherwise approved by JBM.

**Distributors and Dealers** should notify JBM of any defect before repair or replacement is made. Recommended repairs, replacement, and cost are to be discussed with, and agreed upon, by a representative of JBM.

**All claims must be accompanied by a photograph of the defective product**

This warranty does not cover the following items:

- Regular maintenance and adjustments
- Items lost or damaged during shipment
- Accessory items and components not supplied by JBM
- Damages resulting from:
    - misuse, negligence, accident, theft or fire
    - use of improper or insufficient fluids or lubricants
    - use of after market accessories or components, unless approved by JBM
    - modifications, alteration, tampering or improper repair

**A warranty claim must be made through an authorized JBM dealer. The dealer must contact JBM and receive approval prior to performing any warranty work. Failure to obtain prior approval will result in a warranty claim being rejected.**

There is no warranty, expressed or implied, other than that which is specified herein. No other agent or person has authority to impose additional provisions to this warranty.

JBM shall not, in any event, be liable for any losses, damages, or costs, including profits, travel, transportation, pick up, delivery, towing costs, or loss of use, whether special, incidental, consequential or otherwise, in any way.

**All claims must be discussed with a representative of JBM prior to any repairs being made.**

***Tires are covered by warranty for a period of 90 days. Any tire found by JBM to be defective within the 90-day warranty period will be exchanged for free if it is returned on the rim that it came with.**
