Feature highlights

LinQ accessorization ready

Fully integrated LinQ system with more than 20 LinQ attachment points to easily accessorize your Can-Am Canyon with everything you need. Integrated tool-less and robust system.

10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

Adjustable windshield

Robust windshield to protect you from the elements for more comfort during your long adventure. Adjust it manually to perfectly fit your preference.

Drive modes

Four different Drive modes to adapt the engine, stability system and power steering to match the type of road ahead and your riding style.

Vehicle protection

Extra protection on the vehicle such as handguards, metal radiator grille, adventure wheels and belt protector to overcome any road with confidence.

Adapted for all-roads

The anti-slip pegs combined with the handlebar riser allows the driver to easily stand up and better absorb uneven roads. High suspension travel lets you overcome obstacles in comfort.
