

## 2026 Reel Trailer RT813OR

TCB Hydraulic Reel Trailer — NEW

Oilfield Trailer • Pipeline Trailer

The TCB Hydraulic Reel Trailer is engineered for multi-purpose field applications and accommodates a wide range of reel materials and sizes. Self-loading capability with a hydraulic rewind attachment enables efficient loading and unloading. With a GVWR of 18,000 lb, this unit supports reels up to 10 ft in diameter and 8.5 ft wide. Safety systems include a rated pintle hitch, mechanical safety locks, and an automatic stop on the reel lift arms. Finished in durable industrial powder coat for long-term service life.
