

Visual Inspection Report 2012 Al-Jon 500 Advantage Landfill Compactor

Disclaimer: This visual condition report is based solely on a visual inspection and the information provided at the time of assessment. No mechanical testing or diagnostic analysis has been performed. We do not guarantee the accuracy of hour readings, mechanical condition, or operational performance. Buyers are encouraged to perform their own independent inspection prior to purchase.

Machine Specifications

- Make / Model: Al-Jon Advantage 500 Landfill Compactor
- Year: 2012
- Serial Number: 14905 • Made in the USA
- Hours: 8,319 (displayed)
- Engine: Caterpillar C15 Diesel • 475–556 hp • EPA Label Present
- Operating Weight: 86,718 – 95,450 lbs
- Blade: 15 ft Al-Jon Landfill Blade
- Drums: 4 ft wide steel compaction drums with bolt-on tips
- Configuration: ROPS cab, enclosed, joystick steering, standard gauge cluster

Overall Condition Summary

- Machine runs and moves.
- Machine has been parked and unused for approximately two years.
- Exterior paint faded with rust visible across drums, blade, and frame surfaces.
- Engine bay shows significant dust accumulation; hoses and wiring harnesses aged.
- Multiple hydraulic leaks visible around pump area and internal plumbing.
- Cab interior dusty; seat worn but intact; controls and joysticks present.
- Windows intact; no major broken glass observed.

Known Mechanical & Hydraulic Issues

- Water pump requires replacement.
- Gearbox leaks.
- Rear hydraulic pump leaks.
- Evidence of hydraulic seepage around multiple hose fittings and manifolds.
- Drums contain compacted debris requiring cleaning before operational use.

Cab & Operator Station

- Interior shows wear consistent with heavy landfill use.
- Operator seat worn; armrests and joystick mounts intact.
- Gauge cluster present; functionality not tested.
- Pedals intact but dusty; floor plates worn from use.
- Fire extinguisher installed but condition unknown.

Drums & Tips

- All four steel compaction drums show heavy surface rust.
- Tips worn but largely present; several show chipping or deformation.

Load-Out & Transport Notes

- Seller will not provide dismantling, loading assistance or cleaning of the machine.
- Buyer responsible for winching, loading, and transport arrangements.
