

TRIP EDGE POLY

THE PLOW

Built for full-size vehicles and larger, the Arctic Heavy Duty Trip Edge Poly offers the additional security of trip-edge technology. Featuring a steel cutting edge that flips back and under - or "trips" - when it encounters a fixed object with sufficient force to provide extra peace of mind in extra-rugged terrain.

SPECIAL FEATURES

- Designed for commercial grade trucks
- Trip edge allows you to hold and minimize spills
- Great for gravel roads and rough terrain
- Poly moldboard keep snow moving
- Available with removable or hydraulic jack
- Shoe, Blade guides, and curved deflector come standard
