

# 1850 Tyee

## Big features. Big water. Big fish.

Tyee, the Chinook word for chief, is just that – the head of its class. Big water action and intense fishing is where the Tyee really shines. It also plays a dual role of the perfect family boat for the trips to the lake or a sunny day out enjoying water sports. With I-beam construction and a heavy-duty treated transom, the Tyee provides ultimate toughness while offering unmatched finesse and comfort. For family or for fish, the Tyee commands the water.
