

# Snow Throwers

A man wearing a grey winter jacket and a black beanie is operating a bright orange Husqvarna ST 327T snow thrower. The machine is clearing a path through a deep layer of snow. In the background, a white house with a dark roof and bare trees are visible. The snow thrower has a large black auger at the front and a discharge chute on top. The Husqvarna logo is visible on the side of the machine.

HUSQVARNA SNOW THROWERS

## Innovations that make it easy to face winter.

When faced with winter, Husqvarna snow throwers are the face of innovation. Re-engineered for optimal performance in any environment, they include more features, improved design and are powered by Husqvarna engines, backed by an industry leading warranty – 5 years on the engine and 5 years guaranteed to start (GS)\*. To find out more about our snow throwers and to find a dealer near you, visit [husqvarna.ca](http://husqvarna.ca)

## Exclusive Husqvarna Engines Built to Last.

Engineered for extreme winter applications, Husqvarna engines are the new generation of power. Tested at sub-zero ( $<-32^{\circ}\text{C}$ ) environments, they run smoother, longer and more efficiently. Designed with convenient features, intuitive controls and quick-response safety features, Husqvarna engines blow through the toughest winter conditions.

### Husqvarna Engines Feature

- 120 V Electric Starter
- Easy-to-Use Controls
- Extreme Weather Engineering
- Oversized Fuel Cap with Tether Cord
- Integrated Throttle
- Heater Box
- Convenient High-Mount Oil Fill
- Comfortable, Oversized Rubber Grip
- Safety Key Pull Switch
- Special Overfill Fuel Tank

**Husqvarna 5 & 5  
Exclusive Guarantee**

5 Year Engine  
Warranty

5 Year Guaranteed  
to Start Warranty (GS)

If the Husqvarna GS (Guaranteed to Start) engine will not start on the first or second pull, provided the routine maintenance required in the Operator's Manual has been performed, and no fuel was left in the snow thrower between seasons as noted in the Operator's Manual, then the engine is covered for 5 years and will be replaced or repaired at no cost to the consumer.

SINGLE STAGE

**100**  
SERIES

# Re-engineered Husqvarna single stage snow throwers help you handle winter with ease.

Husqvarna's new compact and high-performing single stage snow throwers are ideal for driveways and paths. Easy maneuverability, an innovative remote chute rotator, dual LED lighting and powerful engines with electric start help you take the bite out of winter snowfalls.

**LIGHT  
DUTY**

- **Premium Control Cables with Silicone Liner to Prevent Freezing**
- **Powerful 208 cc Engine** (select models)
- **1.5 Litre Fuel Capacity for Longer Run Time**
- **Capable of Throwing Snow 45 Feet**

## ADDITIONAL FEATURES:

### Dual LED Lights

*With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions.*

### Forgiving Rubber Auger

*Now it's possible to clear snow from delicate surfaces such as paved areas and wooden terraces without worrying about causing damage or scratches in the surface. Also, the new ground scraper is rounded for smoother operation.*

One-Piece  
Welded Frame

**3 YEAR** LIMITED  
WARRANTY

8" Ball Bearing Wheels with Semi-Pneumatic Snow Shedding Tires

### Convenient Electric Starter

The engine can be plugged in and started by pushing a button (instead of pulling the cord) for easy starting in all weather conditions.

### Remote Chute Rotator

The newly-designed chute rotator provides a more simplified and convenient way to control snow distribution.

### Adjustable-Height Handle Bar

With three positions to choose from, operating the snow thrower is more comfortable and storage is quick and easy.

Ergonomic Handle

Easily Accessible Gas and Oil Fillers

Adjustable Deflector

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

Husqvarna's Exclusive Rounded Snow Skirt

*All features mentioned are not applicable for all models.*

TWO STAGE

**200  
SERIES**

# Re-engineered Husqvarna 200 Series snow throwers clear the way after big winter snowfalls.

Designed for homeowners who need a high-performance snow thrower with the capacity to clear snow from large driveways and paths, 200 Series machines are ideal for medium duty and occasional use in all snow conditions. Improved ergonomic design, adjustable handle with heated hand grips, multi-function dashboard and adjustable skid shoes provide optimum comfort and convenience.

**MEDIUM  
DUTY**

- Power Steering
- Premium Control Cables
- Quiet Muffler
- Aluminum Gearbox
- Up to 3.6 Litre Fuel Capacity (ST 230P)
- Bolted Auger Housing

## ADDITIONAL FEATURES:

### The Industry's First Adjustable Handle with Heated Hand Grips

#### Dual LED Lights

*With two high-performing LED headlights you'll be able to work more effectively in stormy weather and low light conditions.*

#### Adjustable Skid Shoes

*Composite skid shoes provide smoother operation and reduce damage to delicate surfaces.*

TWO STAGE

**300  
SERIES**

# Re-engineered Husqvarna 300 Series snow throwers can tackle the toughest winter conditions.

Husqvarna 300 Series snow throwers are designed for land-owners who need high-capacity, durability and maneuverability in all snow conditions. They feature hydrostatic transmission, power steering for smooth operation, heavy-duty components for maximum durability and are available in both wheeled and track drive models.

**HEAVY  
DUTY**

- Power Steering
- Premium Control Cables
- Quiet Muffler
- Cast Iron Impeller & Gearbox
- Up to 3.6 Litre Fuel Capacity
- Wheel and Track Drive Models

## ADDITIONAL FEATURES:

### Efficient Power Steering

Choose drive/traction on either left or right wheel to improve maneuverability, efficiency and reduce operator fatigue.

### Strong Cast Iron Gearbox

Improves the durability of your machine, requires less servicing and provides more stable operation in all conditions.

### Adjustable Skid Shoes

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces. Steel skid shoes are also included.

### Husqvarna 300 Series with wheel-drive includes:

ST 324P, ST 327P and ST 330P.

**3 YEAR** LIMITED WARRANTY

**10 YEAR** GEARBOX WARRANTY

## Powerful Cast Iron Impeller

The industry's only 4-blade impeller is a more effective solution for delivering deep and heavy snow up the chute.

## Durable Ribbon Auger

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

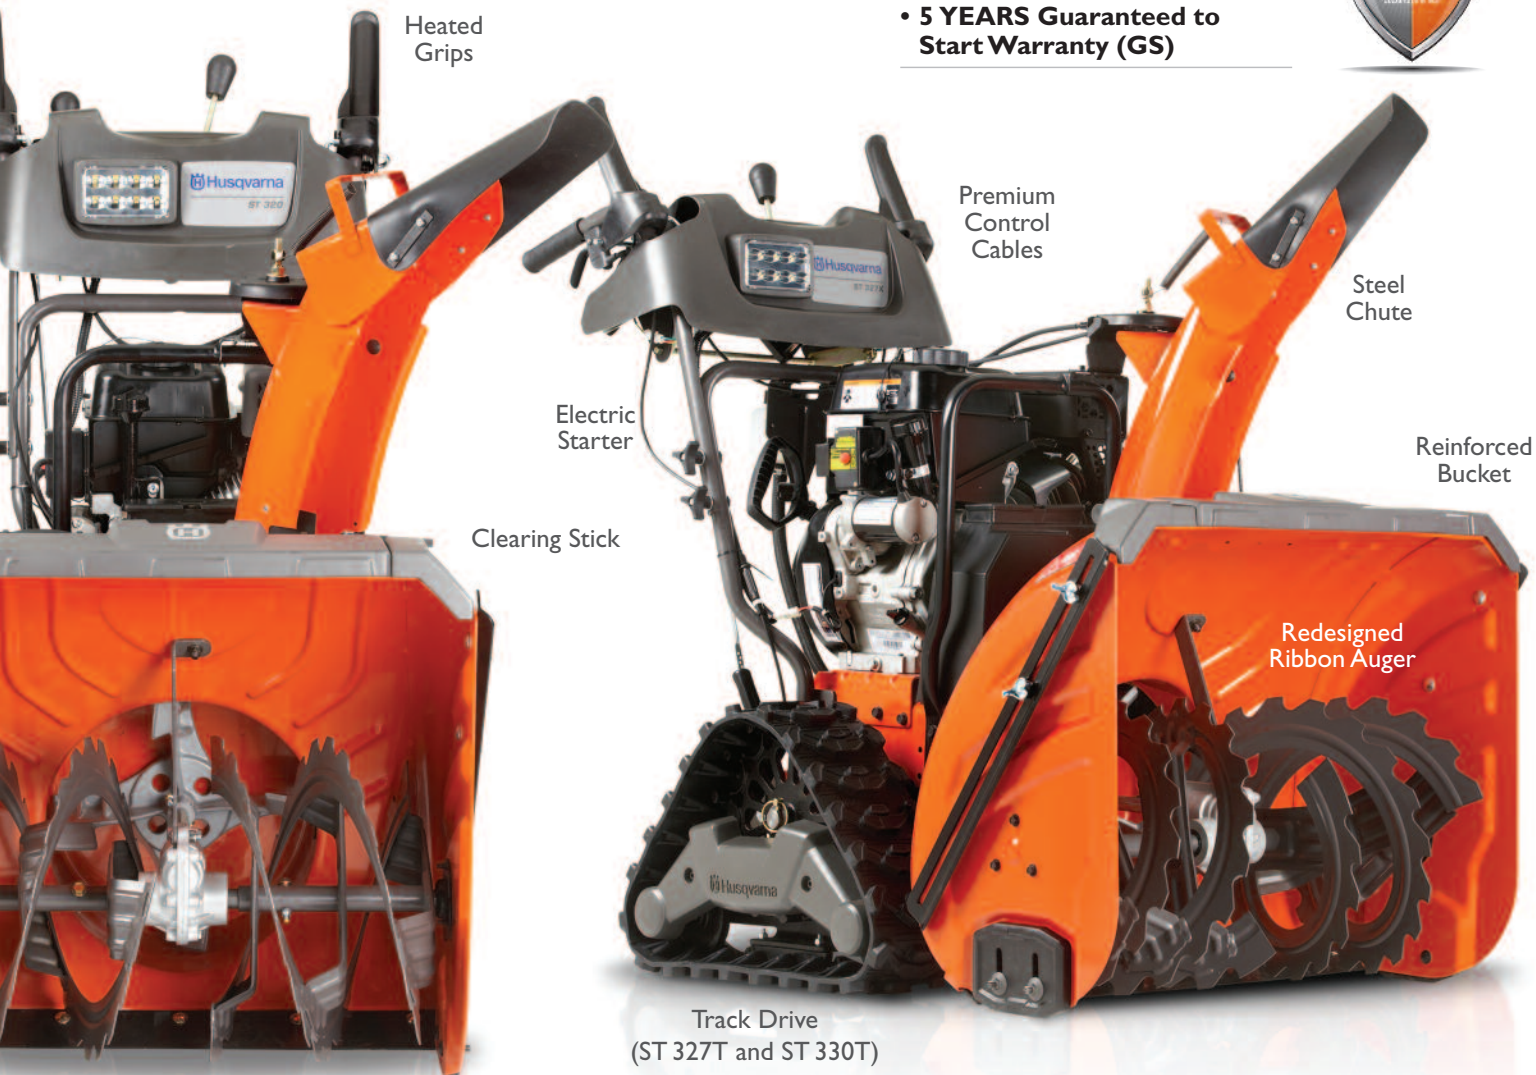

## Powerful LED Headlight

The long-lasting LED headlight provides greater visibility in low light conditions and increases the safety of the operator at night.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

All features mentioned are not applicable for all models.
