

HU725AWDE

The Husqvarna HU725AWDE features All Wheel Drive which provides users with balance and power to all four wheels in hilly, uneven terrain and other tough mowing conditions, with the convenience of electric start. This rugged mower features a 22" heavy-duty steel deck and a powerful 725 Briggs & Stratton engine. The AWD mower features a 3-in-1 cutting system allowing it to bag, mulch and side discharge. Also, it is equipped with a premium quick pin 4 point adjustment for level cutting height and a water hose connector for easy cleaning of the deck. With a premium comfort grip control bail and variable drive speed the operator is able to mow more comfortably and adjust the mowing speed according to the needs and condition of the lawn. Premium wheels with new rugged tread tires provide excellent traction without tearing the grass.

BRIGGS STRATTON ENGINE

Easy-to-start, powerful Briggs & Stratton engine.

ALL-WHEEL DRIVE (AWD)

All-Wheel-Drive (AWD) ensures traction on uneven, wet and slippery areas and slopes.

WATER HOSE CONNECTION

Facilitates cleaning of the cutting deck. Attach the hose, turn on the water and start the engine and you will get a cleaner deck. For optimum results, clean the mower directly after use.

ERGONOMIC HANDLE

The curvature of the handle keeps your hands and wrists comfortable during operation.

Features

- Crown Cut Blade
- Dual Trigger Drive Control
- Push button start
