XR Series Premium Compacts

Excel in Your Field™

Hydrostatic Transmission Models
Maximizes ease of use with effortless, clutchless and instant speed and directional changes with a simple push of the pedals

Flat platform open station models
With rubber mat and side mounted gear lever, maximizes space, improves operator comfort, and makes getting on/off tractor easier

PTO Switches
Select manual or independent PTO (non HST models only) and turn on or off with a simple turn of switches

Shibaura ISM Tier 4 Engine
Meets EPA's most stringent emission standards while delivering rated horsepower quietly with low vibration

Easy open one-piece hood
provides accessibility for easy maintenance

2 sets of remotes and detent function standard
Adds functionality and improves ease of use by allowing attachment of hydraulically controlled implements without the high, additional costs like others in its class to add the remotes as options

Your choice of tires
Choose ag, industrial or turf tires at no additional cost

Full Function Dash Panel
Important functional data is available at a glance for optimum performance and control

Deluxe adjustable seat with retractable seat belt
Keeps you safe and comfortable even during long operations
