

WALKER

S14

The S-series is the original design of the Walker; built to be compact and maneuverable. It uses a smaller engine and simplified drive train and shares most of the features of the high-performance models. The S14 is a great machine for homeowners and large property owners.

- 14-HP, Subaru Robin engine, air-cooled
- Tilt-open body completely exposes drive train
- 7.0 bushel catcher and 12.75" Grass Handling System (GHS) blower
- Oversized Donaldson engine air filter for increased engine life
- Manual belt tightener blade clutch and band brake
- 1.9 gal. fuel tank
- Parking brake
- Deck Sizes: Collection 36" and 42";
Mulching 36" to 42" (3 decks); Discharge 36" to 42" (3 decks)
