# DESIGNED *to* *be the* PERFECT ESCAPE CRAFT

**Go anywhere, do anything, have fun.**

Whether it's watching your kids scream in delight as they tube for the first time or catching some air on the wakeboard or simply all of you lazing together in the middle of the lake, some of your sunniest memories will happen in an Allante.

Allante is the boat to build family memories around. At a moment's notice, you can grab the gang and race like the wind across the lake. Or slow down, bask in the sun on your own private island. Either way, Allante is perfect for family fun.

## CAMPION MARINE DECK

An alternative to carpeting, Campion Marine Deck offers a non-slip surface to help provide additional traction when wet or dry. Campion Marine Deck is easy to clean, virtually maintenance free, resistant to UV light, and manufactured to last a lifetime.

## KICKER® SOUND SYSTEM

Allante is outfitted with a high-performance Kicker® sound system built specifically for fun-filled days on the water. Systems are completely sealed, weather-proof and ultra-resistant to salt/fog and UV rays.

## COMPOUND CURVE WINDSHIELD

The unique design of Allante's windshield provides protection from rough water or flying objects. Also provides excellent optical quality while reinforcing the boat's sleek lines.

## CAPTAIN'S HELMS

Dashes are built in house at Campion. The gauges are placed into contoured dashes so that you are able to read them at a glance.

All switches are placed so they are easily accessible. Behind the dash, the wiring is neatly installed and each wire is labeled so that you can easily trace which component each wire is connected to. This allows you ease of maintenance

## INTEGRATED STORAGE

The innovative, fiberglass grid system design of the boat allows for abundant, purposeful storage aboard. There's plenty of room to stow everything you'll need for a full day on the water.

## FLEXIBLE SEATING AREAS

Allante makes it easy to adjust seating areas to accommodate passengers. Optional slider bases allow for different configurations. Bolsters and cushions also available.

## EXTENDED SWIM PLATFORM

Allante features a full width swim platform on the back with sunken down steps and an available stainless steel ski pole for watersports.

# CAMPION'S INNOVATION

## THE ALLANTE FEATURES OUR APEX HULL DESIGN

With Campion's proprietary Apex hull design which creates faster planning and a more stable high speed platform for safer handling and better fuel economy.

The Allante has fiberglass integrated stringer technology (F.I.S.T.) which allows bulkheads and floors to be bonded onto a bigger stringer system in terms of surface area which reduces hull flex.

In addition to the above, the Allante has a layer of Kevlar is built into the high impact area of the keel to add strength and protection. Its three dimensional woven material is used in the hulls which allows for a stronger, stiffer and lighter laminates.

## GRID STRUCTURE

Beauty is more than skin deep. Our FRP stringer and grid systems are perfectly matched to hull surface for a precise bond and puts incredible strength right where you need it. Bonded with an aircraft structural adhesive you can be assured of years of trouble free and safe boating.

- CNC machined tooling for exact fit
- Stainless steel flush mounted through boltage strap hinges - No piano hinges
- Reinforced FRP construction
- Reduced panel size for extreme stiffness
- Bonded to both hull and deck to create uni-body structure.

# YACHTS SPECIFICATIONS

A18 I BR

## SPECS

MAX PERSONS **7**  
FUEL **25 US gal (95 L)**  
MAX HP **300 HP**  
CENTRELINE **18' (5.49 m)**  
MAX LENGTH **20' (6.10 m)**  
BEAM **7'8" (2.34 m)**  
DRAFT UP **19" (48 cm)**  
DRAFT DOWN **36" (91.5 cm)**  
WEIGHT **2,686 lbs (1,218 kg)**

## FEATURES

APEX hull  
  
Three-part interlocking uni-body fiberglass construction  
  
L-shaped cockpit interior with flip passenger backrest and driver's sport bucket seat with flip bolster  
  
Large compound curve windshield  
  
Extended swim platform

A20 I BR

## SPECS

MAX PERSONS **7**  
FUEL **42 US gal (159 L)**  
MAX HP **350 HP**  
CENTRELINE **20' (6.1 m)**  
MAX LENGTH **21'6" (6.55 m)**  
BEAM **8'2" (2.48 m)**  
DRAFT UP **19" (48 cm)**  
DRAFT DOWN **36" (91.5 cm)**  
WEIGHT **3,400 lbs (1,542 kg)**  
DEADRISE **19° (APEX)**

## FEATURES

APEX hull  
  
Three-part interlocking uni-body fiberglass construction  
  
Sport interior – driver and passenger bucket seats with flip bolsters, sun pad and bench seat with storage under  
  
Large compound curve windshield  
  
Extended swim platform

A23 I BR

## SPECS

MAX PERSONS **9**  
FUEL **60 US gal (227 L)**  
MAX HP **380 HP**  
CENTRELINE **23'3" (7.1 m)**  
MAX LENGTH **25'1" (7.65 m)**  
BEAM **8'6" (2.59 m)**  
DRAFT UP **15" (38 cm)**  
DRAFT DOWN **32" (81 cm)**  
WEIGHT **4,037 lbs (1,831 kg)**  
DEADRISE **19° (APEX)**

## FEATURES

APEX hull  
  
Three-part interlocking uni-body fiberglass construction  
  
U-shaped cockpit interior with driver and passenger bucket seats and flip bolsters  
  
Fiberglass cockpit with overboard drainage  
  
Extended swim platform

### FEATURES

APEX hull  
  
 Lockable cuddy cabin with v-berth, storage and lighting  
  
 U-shaped cockpit interior with driver and passenger bucket seats and flip bolsters  
  
 Port-a-Potty with pump out  
  
 Extended swim platform

## SYSTEM

- Color coded electrical system w/fused circuit protection
- Kicker® KMC100 Media Center, AM/FM, Bluetooth, USB, iPod
- Driver side stereo remote
- 4 Kicker® exterior speakers
- Tilt steering
- Hourmeter
- In-dash depth sounder
- Electric horn
- Powerpoint
- Automatic bilge pump
- Cuddy cabin w/storage and lighting
- Compound curve windshield
- Enviro responsible resin
- Battery tray
- White extended swim platform w/telescoping ladder
- Lockable bi-fold door
- Porta Potti w/pump out
- Full instrumentation
- Transom tilt switch
- Seastar hydraulic steering
- Speedometer

## COCKPIT

- LED courtesy lighting
- Convertible table w/fill in cushions
- Premium snap-in Campion Marine Deck
- Portable cooler
- Gunnel side storage
- Stainless steel cup holders
- Razor ultra suspension bucket seat with starboard & port flip bolsters with fore & aft slider base
- Walk-thru transom
- Aft lounge w/flip backrest
- Glove compartment / ice box
- Portable storage bins
- Gunnel side storage
- Padded engine cover/sun pad w/bench seat & storage under
- Bow seating with storage under
- Wrap around aft seating w/storage under
- Ski locker

## HULL AND DECK

- Apex hull
- Three dimensional woven fiberglass
- XL stringer grid
- Composite transom
- Kevlar laminate reinforcement
- Uni-bond deck joint
- Color coordinated gel coat feature
- Fiberglass cockpit w/overboard drainage
- Bow rope locker
- Integrated LED docking lights

## HARDWARE

- Heavy duty rub rail w/stainless steel inserts
- Stainless steel deck hardware
- Stainless steel grab handles
- Welded stainless steel bow rails
- Flush mounted stainless steel pull-out cleats
- Stainless steel fuel fill & cap
- Stainless steel ski eye
- Opening deck hatch w/screen
- Stainless steel open base cleats

## OPTIONAL EQUIPMENT

- Premium Impulse Mini Flake color feature
- Second gel coat band w/different color (included in premium trim level)
- Stereo power package stereo w/amp, subwoofer, stereo remote & dual battery switch (included in premium trim level)
- LED cup holders & cockpit lighting package (included in premium level)
- In-dash depth sounder (included in premium trim level)
- Flush mounted stainless steel pull-out cleats (included in premium trim level)
- Tilt steering (included in premium trim level)  
Stainless steel ski pole (included in premium trim level)
- Premium snap-in Campion Marine Deck (included in premium trim level)
- Heavy-duty rub rail w/stainless steel inserts (included on premium trim level)
- Cockpit table & U shape fill-in cushion (included in premium trim level)
- Rigid Industries LED under water lighting package
- White extended swim platform with Campion Marine Deck & telescoping ladder
- Color coordinated extended swim platform with Campion Marine Deck & telescoping ladder
- Campion Marine Deck for integrated swim platform and walk thru (teak)
- Campion Marine Deck for full interior cockpit (teak) (snap in marine flooring not available when Campion Marine Deck is requested)
- Campion Marine Deck exterior
- Campion Marine Deck interior (snap-in marine flooring not available when Campion Marine Deck is requested)

- Package (IMCI Certificate and Declaration of Conformity plus related hardware)
- Black Sunbrella® acrylic bow cover
- Black Sunbrella® acrylic cockpit cover (over windshield)
- Black Sunbrella® acrylic bimini sun top (n/a with wake tower)
- Black Sunbrella® acrylic wake tower bimini
- Bow filler cushion

## **PREMIUM TRIM LEVEL**

### **Includes Standard Features Plus:**

- Second gel coat band w/different color
- Stereo power package stereo w/amp, subwoofer, stereo remote & dual battery switch
- In-dash depth sounder
- Flush mounted stainless steel pull-out cleats
- LED cup holders & cockpit lighting package
- Bow filler cushion
- Tilt steering
- Premium snap in Campion Marine Deck
- Cockpit table & U shape fill-in cushion
- Stainless steel ski pole
- Heavy-duty rubric w/stainless steel insert
- Removable stainless steel ski tripod

## **CHASE TRIM LEVEL**

### **Includes Standard + Premium Trim Levels Plus:**

- Chase graphics package
- Color coordinated dash
- (not available in Impulse Mini Flake)

# CAMPION'S WARRANTY

Effective with all 2021 models. For full warranty information please contact [askus@campionboats.com](mailto:askus@campionboats.com)

Disclaimer: The information in the Campion warranty policy supersedes all other publications, including but not limited to, owners manuals, supplier brochures and internet sources.

---

## **LIMITED 10 YEARS - HULL**

Campion warrants the hull, stringers, motor mounts, hull and deck joints including floor and transom of each new Campion to be free of structural defects in materials and workmanship under normal use for a period of 10 years from date of delivery to the original retail sale.

## **LIMITED 10 YEARS - DECK**

Campion warrants the deck including hull and deck joints of each new Campion to be free of structural defects in materials and workmanship under normal use for a period of 10 years prorated from date of sale to the original retail sale.

## **LIMITED 3 YEARS - BLISTER FREE**

Campion warrants all boats to be blister free for a period of 3 years pro-rated.

## **LIMITED 2 YEARS - CANVAS**

Campion warrants all "Sunbrella" canvas for a period of 2 years pro-rated.

## **LIMITED 2 YEARS - COMPONENTS**

Campion warrants bilge blower, steering wheel, seat mechanisms and hinges for a period of 2 years. When these or other components are covered by the parts manufacturer's warranty, their warranty becomes the warranty in effect.

## **LIMITED 2 YEARS - UPHOLSTERY**

Campion warrants upholstery for a period of 2 years pro-rated. It is essential that boat owners use care and cleaning practices as approved by the vinyl manufacturer.

## **WAKE TOWERS AND TOWING CLEATS**

The manufacturers of towers and ski poles administer their own warranty policies. Towers, ski poles and Campion tow cleats are not designed for towing inflatable tubes or other boats. These are designed to pull a water skier, wake surfer and wake boarder. Towing anything other than what they are designed for will result in voiding the warranty and may create a potential safety hazard. Stresses on Wake Towers may loosen tower joints. Tower bolts need to be checked prior to each use
