

PX Series

KIOTI AG TRACTOR

KIOTI
run ahead of the pack

EXTERIOR

The PX series combines modern design and robust functionality into one powerful workhorse.

1 Projection Lamp

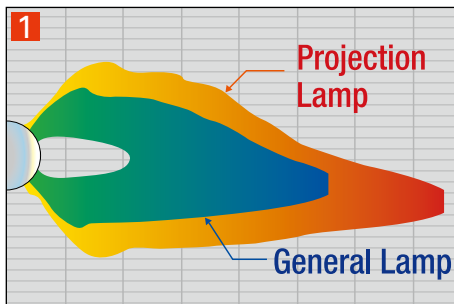

Newly designed headlights allows the operator to work safely in low light conditions.

2 Single Piece Hood

This allows for increased accessibility to components for easy maintenance and inspection.

3 Wiper kit

Front windshield wipers are positioned lower for clear and unobstructed visibility for the operator.

4 Rear Window Wiper

The rear window wiper improves visibility even when working in reverse by keeping the window clean from rain and dust.

5 Rear Working Lamps

With rear adjustable working lamps, the operator can maneuver safely in low light conditions.

6 Joystick Valve

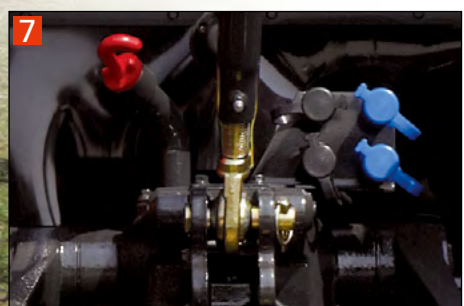

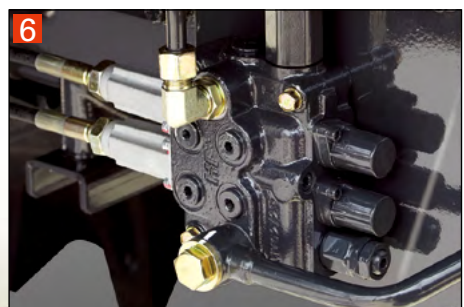

The joystick valve comes standard on all tractors. Models equipped with the KL9020 loader have two sets of forward facing hydraulic couplers to accommodate easy loader installation and operation.

7 Rear Remote Hydraulic Valve

The PX series comes standard with dual remote hydraulic valves to accommodate a wide variety of attachments and implements. PX series tractors offers an optional third remote hydraulic valve.

8 Large Fuel Tank

31.7 gallon fuel tank increases productive work time without the need for frequent re-fueling.

INTERIOR

The standard PX series deluxe cab includes: front wiper, A/C and heat, auxiliary power outlet, rearview mirror and moonroof

1 Ergonomic Levers

A wide windshield gives the operator a panoramic view for increased visibility. Ergonomic levers help to reduce operator fatigue and a color coded lever system allows for easy operation.

2 CD Player

Enjoy a day at work while listening to the standard CD player with AM/ FM radio.

3 Air Conditioning System

Climate control ensures comfortable working conditions for the operator throughout all seasons.

4 Synchronized Shuttle Lever

Shuttle lever enables easy back-and-forth operation, reducing operator fatigue dramatically.

5 Adjustable Steering Wheel and Instrument Panel

An adjustable instrument panel and fully adjustable steering wheel allows the perfect fit for each operator.

6 Main Gear Shift Lever

Smooth gearshift lever for the 16 x16 transmission.

7 Joystick Lever

The conveniently located joystick lever reduces operator fatigue when using the loader.

8 Deluxe Suspension Seat

A fully adjustable suspension seat allows the operator to ride in comfort no matter what the task may be.

9 Cup Holder

A cup holder located for your convenience.

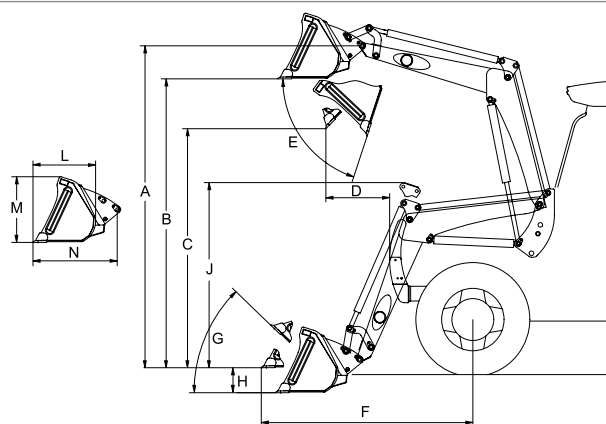

Performance

PX series high-performance tractors pack impressive power and smooth handling into one dependable workhorse. With many standard features including an operator friendly cab, the PX series is ready for any job that demands a durable tractor.

Front Loader

The KIOTI KL series loaders are built strong and feature heavy lift capacity with greater lift height and high quality components that enable you to tackle any kind of job with confidence.
