Performance You Can Count On™

## 141/181 SERIES HEAVY DUTY BLADES

New for 2015

Let Bush Hog®'s new 141 or 181-Series Blades give you the strength and durability to pave a new way. Perfect for road building and maintenance, snow removal, terracing, backfilling, and grading these blades can handle any scrape. These new series of rear mounted blades are available in sizes ranging from 7-feet all the way up to 10-feet and recommended for tractors from 110 HP up to 180 HP. Standard features include 3-point ASAE Category II and Category III hitches with Quick Hitch compatibility, 4-inch King Pin, 1/2-inch x 6-inch cutting edges, and 19-inch moldboard height. These blades also feature manual or hydraulic offset, angle, and tilt adjustments. Other available options include heavy duty skid shoes, as well as, heavily constructed end plates.

Complete unit with hydraulic  
adjustments shown

Heavy Duty bolt-on cutting edge

ASAE Category II, and III Quick Hitch  
compatible
