

Discover the Difference!

There's nothing quite like seeing a Bush Hog® ZT Mower in person. You'll quickly notice the superior craftsmanship and solid construction from the ground up. Climb aboard and settle in that comfy seat—easily adjusted to accommodate practically any frame from small to tall, male or female. It's obvious from first glance that the controls were designed with the operator in mind. See how effortlessly you can adjust the cutting height of the deck right from the seat using Bush Hog's patented Quick Foot™ adjuster.

Now comes the good part. Turn the key, crank it up and get ready to smile. The controls are light and responsive. The ride is smooth, fast and stable. And those Fusion™ blades leave an unrivaled and impeccably groomed lawn in their wake. This is mowing like you've never dreamed it could be! Finally, you'll wonder what in the world you were thinking all those years wasting your time, money and effort on inferior machines?

Experience absolute excellence!
Test drive a Bush Hog® ZT Mower today!

Choose Performance That Lasts

The Bush Hog® brand means superior performance now and for years to come. It was born more than 60 years ago with the famous Bush Hog® rotary cutters. From the very beginning, Bush Hog® TOUGH features were built into these machines. Many Bush Hog® mowers built 30 years ago are still on the job.

Available Accessories**

Grass Mulching Kit

Under-deck, bolt-on baffles capture grass clippings so specially designed mulching blades can shred them into a fine, lawn-feeding mulch.

Working Lights

Halogen headlights are easily angled from the operator's seat and throw plenty of light for after hours mowing.

Trailer Hitch Kit

Easily bolts-on to enable you to tow a utility trailer or other tools and attachments.

Anti-Scalping Roller

Additional anti-scalp protection on discharge side is provided by this easily bolted-on roller. Recommended for use with mulching kit.

Power Deck Lift (Not pictured)

Electronically raises or lowers the mowing deck to your chosen cutting height. (Available on Professional Series only)

Bar Tires (Not pictured)

Specially designed for maximum traction on hilly terrain or red clay and mud.

Striping Roller (Not pictured)

Rear wheel that provides visual reference stripe for advanced mowing patterns such as football or baseball field applications. (Available on Professional Series only)

**Accessories differ by model. See dealer for complete details.

Performance You Can Count On™

Zero-Turn Mowers

Estate, Commercial & Professional Series

SMILE. The grass needs mowing. Again.

Our line of Zero Turn Mowers give you plenty to smile about. There's the renowned durability and reliability that has made BUSH HOG® a legend for over 60 years. They're perfect for commercial landscapers and homeowners with large lawns and acreage. They're built to last and easy to maintain. They cut beautifully. And they're a total blast to drive!

Bush Hog Zero-Turn Mowers. Made in America. Built to Last!

Whether you're a lawn care professional who requires productivity and dependability in your machine, or a homeowner who wants professional results in a fraction of the time, smile. Bush Hog® has the mower to meet your needs!

Estate Series

Economical Bush Hog® Performance
For Homeowners And Commercial
Operators

Designed for landowners with several acres to mow, our Estate Series offers legendary Bush Hog® performance and reliability in an attractive package at a comfortable price.

Commercial Series

Bush Hog® performance that will keep you and your customers satisfied

These mowers are designed for the lawn care professional who needs dependable equipment that can be trusted to perform all day, every day. Rugged, durable and fast, our Commercial Series mowers are easy to operate and maintain.

All Bush Hog® ZT Mowers are equipped with Fusion™ blades that cut cleaner for a better lawn appearance with less sharpening.

Professional Series

Everything you need for maximum productivity and comfort year after year

These mowers combine heavy-duty construction and superior performance features with creature comforts designed to enhance the operator's mowing experience. In a lawn professional's world, this is the bosses' personal machine.
