Products are distributed in the U.S.A. by BRP US Inc. Because of our ongoing commitment to product quality and innovation, BRP reserves the right at anytime to discontinue or change specifications, price, design, features, models or equipment without incurring any obligation. Ride responsibly. BRP highly recommends that all ATV drivers take a training course. For safety and training information, see your dealer or, in U.S.A. call the ATV Safety Institute at 1 (800) 887-2887. In Canada, call the Canadian Safety Council at 1 (613) 739-1535 ext 227. ATVs can be hazardous to operate. For your safety: the operator and passenger should wear a helmet, eye protection and other protective clothing. Always remember that riding and alcohol / drugs don't mix. Never ride on paved surfaces or public roads. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. ATVs with engine sizes of greater than 90cc are recommended for use only by those age 16 and older. Never carry passengers on any ATV not specifically designated for such use.

REVISED AUGUST 14, 2013

2014 OUTLANDER™—GENUINE ACCESSORIES

LINQ PREMIUM 124 L TRUNK BOX WITH REAR LIGHT

This extra large innovative Trunk Box carries up to three helmets (124 L) and has a key locking latch. It is made of heavy-duty polypropylene and has weather-resistant lid gaskets to seal out dust and moisture. The Trunk Box is offered with the LinQ system meaning it can be installed or removed in a snap, with no tools. The colored panels can also be changed to match the body color of your vehicle.

FRONT & REAR LINQ RACK EXTENSIONS

These strong, durable Extension Racks install easily on the Outlander thanks to the LinQ system, requiring no tools. It helps keep your cargo more securely in place.

FRONT & REAR BUMPERS

The front and rear bumpers will provide additional protection against the elements. Tough and durable, they can be added on the vehicle to give your Outlander the look of an XT model.

MUDGUARDS

It's a must to ride in the mud. Made out of injected plastic parts that perfectly fit your Outlander fenders, they offer more protection from dirt and debris.

UNDERBELLY PROTECTION

Aluminum plates made with high strength 5052 H32 aluminum and plastic deflector to protect your frame from the unexpected — a must-have for rugged terrains.

DELUXE FAIRING

The Deluxe Fairing provides not only wind protection, but a series of innovative features:

- Quick toolless removal once the base brackets are mounted on the handlebar
- 2 Cup holders
- Optional GPS mounting kit
- Add-on windshield can be replaced
- Optional mirrors
- Optional auxiliary windshield lighting

WINTER ACCESSORIES

Enjoy your Can-Am ATV all year long with our complete line-up of winter accessories such as our year-round Apache 360 track system and our wide selection of snow plows, easy to use and specially designed for your Can-Am ATV.

HUNTING ACCESSORIES

When hunting season starts, you need to be ready with the right accessories specifically designed for your hunting trips such as our gun boot with mount using the LinQ system, part of the Can-Am accessories by Kolpin collection. Make sure that your camouflage is perfect with our complete choice of clothing and accessories that match your vehicle.
