Model CS-550P

The CS-550P Chain Saw features a 54.1cc Power Boost™ engine that when coupled with the Performance Cutting System™ bar and chain delivers superior power and outstanding cutting ability. It also features a decompression valve for easy starting, a digital ignition system that automatically adjusts engine timing for optimum performance, a heavy-duty, easy-access air filter that provides superior filtration for long engine life, a dual post chain brake system for increased durability, the G-Force Engine Air Pre-Cleaner™ that pulls dust and chips from the air box providing a clean air supply to the engine, an automatic clutch-driven oiler that reduces oil consumption, and a side access chain tensioner for easy chain adjustment.

ECHO Quality Backed by an Extensive Warranty

All ECHO Chain Saws feature a 5 year* consumer, 1 year commercial and 90 day rental warranty as well as a lifetime warranty on the ignition module.
