# 1,200 Gallon SIDEQUEST®

U.S. Patent No. 6,286,870

- Two 600 gallon tanks
- Large centered drain sump
- 16" fillwells, high volume jet agitator & molded sight gauge
- Mounted longitudinal for superior visibility
- 10 bolt cast iron hub attaches to rear tractor duals
- 3.5" rear spindle w/oil bathed tapered bearings
- Transport width of 16 '11" when wheels set on 120" centers
- 75% rear & 25% front weight distribution relieves stress on tractor's front axle & chassis
- Fits w/ front duals on tractor - Rear duals required

## Multi-Application functionality for Maximum Efficiency

**fertilize When Planting, Side-Dress fertilizer & Spray**

- Add Demco 3-point 90' hydraulic front fold boom for spraying w/ superior maneuverability & high capacity
- Add Demco 3-point 40' or 60' fertilizer toolbar for side-dressing while reducing crop damage.

# 700 & 1,000 Gallon SIDEQUEST®

- Two 250 or 500 gallon side mount tanks w/16" fillwell
- Mounted longitudinal for superior visibility
- Transport width of 16' 4" when wheels set on 120" centers
- 75% rear & 25% front weight distribution relieves stress on tractor's front axle & chassis

U.S. Patent No. 6,286,870

## 1,200 Gallon SIDEQUEST®

*4WD articulating tractor*

- Two 600 gallon high capacity side mount tanks w/16" fillwell
- Mounted longitudinal for superior visibility
- Transport width of 17' 2" when wheels set on 120" centers

## 600 Gallon "Quick Tach"

*4WD articulating tractor*

- Two 300 gallon tanks
- Transport width of 15'
- 22"- 25" of ground clearance

## "Quick Tach" MFWD tractor

- 200 or 250 gallon tanks
- Transport width of 16'
- 22"- 25" of ground clearance

## "Quick Tach" In line-MFWD tractor

*"Quick Tach" 2WD tractor*

- 200 or 300 gallon tanks
- Transport width of 16' 6"
- Excellent visibility

- 200 or 250 gallon tanks
- Transport width of 14'
- Excellent visibility

# RM Series 600 Gallon field Sprayer

- 600 gallon capacity w/large, centered drainage sump
- 45', 60', 66' or 80/90' front fold hydraulic boom
- Narrow transport width of 12'
- Retractable, built-in ground storage stand
- Coupled close to the tractor
- Excellent maneuverability
- Category "3" or "4" rear mount brackets may be used w/Quick Attach 3 point hookup
- Convenient platform w/safety rail & ladder

## RMLE Series 300, 400 & 500 Gallon field Sprayers

- Capacities of 300, 400 or 500 gallons
- Retractable, built-in ground storage stand
- 45', or 60' hydraulic X-Fold boom
- Category "2" or "3" rear mount brackets may be used w/Quick Attach 3 point hookup

## RM Series 150 & 200 Gallon Sprayers

- Capacities of 150, or 200 gallons
- 21', 30' or 40' Truss-T booms
- Fits category "1" or "2" hitches
- Non-retractable ground storage stand
