

ATLAS JSV

LEARN MORE AT [GRAVELLY.COM](https://www.gravelly.com)

Crew Worthy. Field Ready.

Packed with power and torque, the Atlas JSV® features heavy-duty suspension. Haul, tow, work, dump—this ultimate job site vehicle seats three to six, comfortably.

SUSPENSION the heavy-duty de Dion suspension minimizes sag, to maintain full ground clearance even with cargo, tongue weight and towing maxed out.

POWER choose the 3-cylinder, 1028cc Kohler Diesel engine to maximize torque and traction. Or run with an electronically fuel-injected DOHC gasoline engine.

CAPACITY with bed capacity of 1250 lbs. and a 1900-lb. total payload, the Atlas JSV holds its own, and then some.

ALL-STEEL JOBBOX the Atlas JSV's fabricated all-steel cargo bed won't buckle or bend. Dump cargo with the touch of a button and haul a fully loaded pallet, thanks to a generous 18 cubic feet of cargo space.

SEATING the Atlas JSV-3000 seats three adults comfortably, with a total payload capacity of 1,900 lbs. The crew-size JSV-6000 seats six adults across two benches, with a total payload of 2,100 lbs.

TOWING the Atlas JSV can tow a ton. Literally. Hitch up a full 2000 lbs. of trailer and cargo and you'll get more done in less time.

See your professional Gravelly® dealer for complete warranty details.
