\*Not available on 72" deck units

## Pro-Turn™ 200XDZ Series

- **Adjustable foot pedal** allows individuals of any size to effortlessly raise the deck
- **7-gauge fabricated and welded X-Factor® Deck** design ensures lasting performance
- **Maintenance-free XL Spindles®** with durable cast iron housings
- **1/2" deck integrated wear bar** with two additional gussets guard against leading edge and baffle bending
- **Heavy-duty rubber discharge chute** provides flexibility to mow around objects
- **Wider stance** improves overall stability and traction on uneven terrain to increase operator confidence
- **Double-sided anti-scalp brackets** eliminate bending and breaking of scalp rollers
- **Full-suspension seat** has been lowered to increase overall stability while comfortably cradling the operator
- **Unique boxed frame** of the engine and transmission add strength and support while four isolation points reduce cockpit vibration by 45% compared to the competition
- **Foldable ROPS** is standard to provide extra protection for the operator
- **Large diameter steering arms** and vibration isolators add comfort and control while reducing operator fatigue
- **Designated trailer tie-down points** safeguard the machine during transport
- **Simplified, yet reinforced deck lift** with 17 cutting positions in 1/4" increments incorporates an easy-to-use deck leveling system and eliminates over-hung loads
