

WOODS 30 & 40 SERIES TILLERS

DARE-TO-COMPARE

Woods' new standard-duty Rotary Tillers are a high quality, low maintenance, and easy to use addition to your stable of landscaping tools. This completely redesigned line of PTO-driven attachments is built in the USA and backed by Woods' industry-leading warranty.

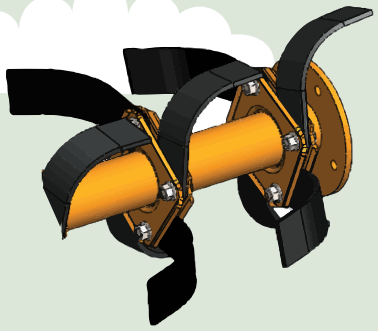

Match Your Tractor Color

⚡ Durability

Double Flange

WOODS
Exclusive

Woods' double flange design clamps both sides of the tine - just like heavy-duty skid steer and agricultural grade tillers.

- Strong blade support
- Simple maintenance
- Patent pending design

Gear-Driven Side Drive

CUSTOMER
Preferred

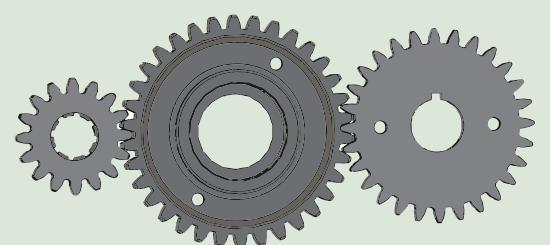

Our gear-driven side drive allows years of dependable service with far less maintenance required than a chain-driven unit.
