

NEW

2018 PERFORMANCE RXT[®]-X[®] 300

LIVING ROOM ONBOARD

The new design makes hanging out just as fun as riding around.

INGENIOUS STORAGE

All your gear is now within arm's reach.

MUSIC ONBOARD

With the industry's first manufacturer-installed, truly waterproof, Bluetooth[†] audio system.

REVOLUTIONARY STABILITY

The new industry standard for stability.

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

DIMENSIONS

Fuel capacity 15.9 US gal / 60 L
 Length (bumper to bumper) 135.9" / 345.1 cm
 Width 49.4" / 125.5 cm
 Weight (dry) 828 lb / 376 kg
 Storage capacity 27 US gal / 102.5 L

ENGINE

Type Rotax[®] 1630 ACE[™]
 Intake system Supercharged with external intercooler
 Displacement 1,630 cc
 Cooling Closed-Loop Cooling System (CLCS)
 Reverse system Electronic iBR[®]
 Starter Electric
 Fuel type 87 octane – minimum
 91 octane – recommended

Ice Metal / Lava Red
 Neon Yellow / Lava Grey

iTC / iBR / ST³ / CLCS / ECO

HULL

Type ST³
 • Longer and larger platform
 • Rough water and offshore inspired deep-V hull
 • Stable and predictable

BRP AUDIO PREMIUM (OPTIONAL)²

ERGOLOCK™ SYSTEM

iBR[®] GEN 3 (INTELIGENTE BRAKE & REVERSE)

ST³ HULL™

DIRECT ACCESS FRONT STORAGE³

ROTAX[®] 1630 ACE™ ENGINE

ENGINE

1,630 cc four-stroke, Rotax[®] with three cylinders in-line and four valves per cylinder
 The most powerful Rotax[®] engine ever produced has a maintenance-free supercharger^{*} with an external intercooler and the Advanced Combustion Efficiency (ACE[™]) technology, delivering high efficiency and amazing acceleration.

iTC[™] (Intelligent Throttle Control) system
 Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO[®] modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl[®] Learning Key[®]
 The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel[™] System
 Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System
 Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl[®]
 The "Brain" that integrates and controls all systems to create the best possible ride.

ST³ Hull[™]
 The new benchmark for rough water handling, the fully redesigned ST³ hull[™] is wider, for industry-leading stability at both rest and high speeds and expertly tuned to improve offshore performance.

Touring Mode / Sport Mode
 Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides full acceleration performance for a more aggressive throttle response.

ECO[®] Mode
 This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

ErgoLock[™] System
 Combination of a narrow racing seat with knee pad and angled footwells that allow you to "lock in" when cornering hard. This results in faster turns and more time on the water due to reduced fatigue.

High-performance VTS[™] (Variable Trim System)
 The VTS[™] adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS[™] provides handlebar-activated quick settings.

RF D.E.S.S.[™] Key
 With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Interactive Multifunction Digital Information Center
 VTS[™], Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.

Direct Access Front Storage
 Gear is now within arm's reach. The industry's first direct-access front storage opens by simply raising the handlebar assembly. No standing required.

Watertight Phone Box Compartment
 Waterproof and shockproof phone compartment

LinQ[™] Attachment System
 Exclusive quick-attach system on the swim platform allows for easy installation of storage accessories.

Handlegrrips With Palm Rest
 Tilt Steering

Sponsons
 Footwell Carpets

Bumpers
 Reboarding Handles on Rear Platform

Wide-Angle Mirrors
 Seat Strap

Split Seat (2 Parts)
 Quick Latch Fuel Filler Design

Integrated Cleats
 Ski Tow Eye

RXT-X 300

FEATURES CONTINUED

Large Swim Platform Flush Kit
 Performance Front Grill Emergency Floating Lanyard
 Stainless Steel Impeller Operator's guide, instructional video and booklet
 Dual Drain Plugs
 Soft Knee Pad

PROPULSION SYSTEM

iBR[®] (Intelligent Brake & Reverse) system
 First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 3rd generation, the intuitive and improved iBR[®] allows you to stop close to 160 feet sooner¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
 Stainless steel impeller
 Delivers improved acceleration, higher top speed and less cavitation.

X PACKAGE

Launch Control
 Advanced and easy-to-use handlebar-activated launch control system that automatically adjusts the pump angle to provide perfectly controlled acceleration—every time.
 Extended Angled Footwell Wedges
 Extended angled footwell wedges keep all passengers firmly planted, comfortable, and secure. In conjunction with the ErgoLock[™] seat, the angled wedges ensure everyone can enjoy the full capabilities of the watercraft.
 Swim Platform with Y Pattern
 X-Sponsons
 X-Gauge
 X-Coloration

OPTIONS / ACCESSORIES

BRP Audio Premium
 Storage Bin Organizer
 Usb Charger
 LinQ[™] Cooler
 LinQ[™] Fuel Caddy
 Reboarding Ladder
 LinQ[™] Retractable Ski Pylon
 Wakeboard Rack
 Depth Finder
 Ski Module
 Dry Bag
 12-Volt Outlet and Installation Kit
 Safety Equipment Kit
 Bilge Pump Kit
 Sandbag Anchor
 Fire Extinguisher
 Snap-in Fenders and Installation Kit
 Trailer Move
 Watercraft Cover

WARRANTY

BRP limited warranty covers the watercraft for one year.
