CUTTING WIDTH | FLEXES TO TERRAIN CONTOURS

FLEX DECK MOWER

FLEX TO THE TASK AT HAND

With the Flex Deck Mower attachment, you get a high-quality, professional cut on just about any terrain—flat, uneven and sloped—up to 30 degrees. With clean directional side discharge and four independent, 21-inch decks, it's designed to effortlessly follow any slope or contour without scalping. The adjustable trim-side deck can also be easily raised to get on and off the trailer, maneuver around landscaping or move through gates.
