

GATOR™ MID-SIZE XUV SERIES

CROSSOVER UTILITY VEHICLES

JOHN DEERE

RUN WITH US

2 PASSENGER — E & M

Crossover to the mighty Mid-Size Series. Its rugged exterior frame holds a surprisingly spacious interior. Handle tight spaces, haul and tow, all with a nimble footprint. This family of Gator UVs is the 4x4 UTV you've been clamoring for. At a price you'd never dream to ask. So go ahead: get to know your next favorite utility vehicle.

Engine

The Gator XUV590M is powered by a 586-cc (35.8-cu in.), 32-hp (23.9 kW) overhead-valve engine that can tow up to 1,500 lb. (680 kg) with a 900-lb. (408 kg) payload capacity. Yet still provide a comfortable ride with quick pickup.

Colorful, Easy-To-Read Dash Panel on the XUV590M with indicator lights helps you keep an eye on everything from speed and gear position to service warnings.

Four-Wheel Independent Suspension for incredible ride and handling.

Mid-sized. Mammoth capabilities.

XUV560E

Meet the Gator™ UV with a lot of bite. This durable, rugged crossover also comes with a price tag as eye-catching as its body design. Inside and out, the XUV560E brings more power, performance and operational ease to your farm, field or weekend charting the uncharted. With its 500-lb. (227 kg) cargo capacity, the XUV560E will handle heavy loads, but it's nimble enough to navigate tight spaces and wicked turns. It's the utility vehicle that offers more utilities than ever at a pleasing price.

XUV590M

The Gator UV that cannot be stopped. Think of your toughest trail, your muddiest field. Now picture the utility vehicle handling them before you break for lunch. Four-wheel independent suspension, power steering and a 32-hp (23.8 kW) 586 cc engine make for balanced acceleration and exquisite handling. But this Gator UV also offers creature comforts—a quiet operators station, automotive-like ergonomic controls, an easy-to-read dash panel, and side-by-side seating. We've forgotten nothing, so you can do everything.

Power steering on the XUV590M provides smoother, automotive-like handling and outstanding durability against the most rugged terrain.

Shift Control Lever with integrated park position makes this our easiest, most accurate shifting Gator UV yet. Electronic 4WD and differential lock engagement lets you gain traction the instant you need it with the flip of a switch.

Tie-down points in cargo box help you manage your load while utilizing every square bit of space.

4 PASSENGER — E & M

XUV560E S4

Ideal for hauling both friends and freight, the XUV560E S4 stands out for its versatility, raw power and smooth performance. A massive payload capacity, superior cargo box, standard pickup-style tailgate and speeds up to 28 mph (45 km/h) will make your toughest workday sail by. Its improved cockpit and improved four-wheel drive will make you feel like you're in a sedan. Though a sedan that craves rocky trails and canyons.

XUV590M S4

This easy-to-handle vehicle has room for four and a whole lot more. Comfort and convenience, just to name two. A shift pattern with integrated park position makes for a very smooth time behind the wheel, regardless of the terrain you're tackling. 4WD switch delivers traction the moment you need it. The enhanced dash panel delivers car-like operation. LED lights, because you don't quit when the sun calls it a day.

Optional Under-seat Storage provides an additional 9-gal (35 liters) to optimize space and keep items safe and secure on the trail.

Convert rear seat into an additional cargo area to keep tools secure while you raise and lower your cargo box. Adds 4.3 cu. ft. of space and holds up to 200 lb. (91 kg).

Colorful, Easy-To-Read Dash Panel with indicator lights that let you see everything from speed to gear position. XUV590M S4 service interval reminder and RPM helps you easily monitor everything you'll want to keep an eye on.

High-strength cast-iron knuckle and upper A-arm support the high stresses of the shocks, constant-velocity (CV) shaft, and wheels in rocky terrain.

Make your Gator™ XUV your own.

Choose a color that speaks to you, a tire that works for your workday, and attachments that let you go all out.

Color Options

Olive & Black

XUV590M and XUV590M S4 optional.

Green & Yellow

XUV560E, XUV590M, XUV560E S4, XUV590M S4 is included in base.

TrueTimber® Kanati Camo

XUV590M, and XUV590M S4 optional.

Tires and Wheels

Maxxis BigHorn 2.0 Radials

For extreme terrain.

Front: 26X8-14, Rear: 26X10-14

Terra Hawk ATs

All terrain and all purpose, low impact on turf.

Front: 25X8-12, Rear: 25X10-12

14" ALLOY WHEELS

Customize your Gator UV with these eye-catching wheels. Available in yellow or black.

Front Brushguard

Protects the front end from whatever comes your way—and keeps your Gator UV looking sharp.

Rear Bumper

Protect your cargo box and tailgate with this 2" steel rear bumper.

Year Round Versatility

Keep your Gator™ UV busy every season with a front blade.

Warn® Winch

3,500-lb. (1587 kg) winch. Includes a water-resistant remote control.

Front hood rack

Generously sized rack (48-in. long, 13.5-in wide and 3.5-in. deep), will carry up to 100 lb. of gear.

OPS Poly Roof

Year-round weather protection. Molded troughs channel water away from you.

Windshields

Keep bugs, wind and weather off your face. Half-, full poly and full glass available with wiper. Tool-less installation.

Cargo Box Wall Extensions

Extend the walls of your cargo box to protect larger loads. Easy Quick-Clamp install.
