## SINGLE-SPINDLE ROTARY CUTTERS

BH300 SERIES

BH300 SERIES

# SINGLE-SPINDLE ROTARY CUTTERS

## Bush Hog®'s Legendary Single-Spindle Rotary Cutters

Dense grass, tough weeds, and thick brush are no match for these authentic Bush Hog® built cutters. Available in 5-foot, 6-foot, and 7-foot cutting widths, the BH300 Series Rotary Cutters are designed to deliver superior performance in tough conditions, day after day, year after year.

### BH300 Series Features ...

- **Strongbacks and gearbox stand** are located under the deck creating a smooth-top for easy cleaning
- **Taller Sidebands** allow more material and airflow under the deck increasing cutting volume and clipping efficiency
- **Replaceable 1/4" Skids** run half the length of the cutter to protect the sidebands and add strength and stiffness
- **Rear Band** is continuously welded and curved to add strength and resist bending
- **Gearboxes** are put through the paces during custom-designed lab tests that mimic real-world conditions and obstacles like rocks and stumps, while hundreds of hours in field performance tests prove that these cutters are Bush Hog® Tough
- **Custom Blades** are forged and heat-treated to exacting standards, featuring unique Bush Hog® branding
- **Formed Tailwheel Bracket** is fully welded to the deck providing superior strength during punishing vertical and horizontal loads
- **Quick Hitch** compatibility allows for easier cutter attachment saving you time and energy
- **Lower Double Hitch Lugs** are welded to the strongbacks providing greater overall hitch and deck strength
- **Laminated Tailwheels** are puncture-proof and caster effortlessly through all kinds of terrain
