

SNOWBLOWER

For tractors 15 hp to 90 hp

BINARY SERIES

ALLIED BY FARM KING HAS BEEN BUILDING RELIABLE AGRICULTURAL AND COMMERCIAL SNOWBLOWERS FOR MORE THAN FOUR DECADES.

The design has stood the test of time through the years, while continuously refined to create the best line of snowblowers in the industry. The new Binary Series from Allied by Farm King is the culmination of that expertise and experience.

THE ALLIED BY FARM KING BINARY SNOWBLOWER OFFERS TWO IMPLEMENTS IN ONE MACHINE.

No longer is it required to have two separate snowblowers to get the job done. A skid steer hitch connects the Binary snowblower to the skid steer. Remove the skid steer hitch and convert to the PTO hitch and connect to a tractor. Available with the Propeller blade to tackle the heaviest snow.

Allied by Farm King Binary Snowblowers are available in sizes ranging from 50" to 84" widths.
