Loads Faster.

Brandt Work Ready™ tilt deck trailers deliver fast loading and unloading to maximize your output. Their patent-pending Lode N Lok™ auto-latching decks save you valuable time while increasing operator safety.

① Easier to Own

Brandt trailers are backed by the best support in the business to make ownership stress-free:

- Flexible purchasing options include rentals, rental purchasing, leasing, and conventional financing.
- Coast-to-coast 56-branch support network ensures parts and service are easily accessible, anywhere in Canada.
- Reliable design and long-lasting components reduce total cost of ownership.

② Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Lode N Lok™ self-locking deck enables faster loading, saving valuable time.
- Torsion spring suspension system delivers reliable shock-absorption without requiring any maintenance work.

③ Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection:

- Power Pin™ ball hitch is specially designed to prevent binding, ensuring that the trailer is properly secured to the towing vehicle, every single time.
- Foolproof locking mechanism automatically secures the deck once the equipment is loaded, maximizing safety.
- Forward self-adjusting brakes keep the brakes at their peak performance for longer while eliminating the need for manual adjustments.

Powerful Value. **Delivered.**
