## Ready to Roll.

There's no time for downtime when you've got a job to do. Brandt Work Ready™ ramp deck trailers utilize a tried-and-true design with fewer moving parts to ensure they're always ready when you are.

### ① Easier to Own

Brandt trailers are backed by the best support in the business to make ownership stress-free:

- Flexible purchasing options include rentals, rental purchasing, leasing, and conventional financing.
- Coast-to-coast 56-branch support network ensures parts and service are easily accessible, anywhere in Canada.
- Reliable design and long-lasting components reduce total cost of ownership.

### ② Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Dual rear ramps are spring assisted, reducing strain on the operator while making loading and unloading quick and easy.
- Straightforward design utilizes fewer moving parts, increasing uptime and profitability.

### ③ Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection:

- Rugged slipper spring suspension system is optimized to safely distribute weight between axles when carrying heavy loads on uneven ground.
- Premium fir decking provides better traction for the operator in wet and frozen conditions.
- Forward self-adjusting brakes keep the brakes at their peak performance for longer while eliminating the need for manual adjustments.

Powerful Value. **Delivered.**
