**16,000 – 16,800 lb**

DECK LENGTH  
**20 Feet**

RATED PAYLOAD  
**11,500 – 12,000 lb**

## Built to Pull Through.

Brandt Work Ready™ ramp deck trailers are built with heavy-duty square tube frames, maximizing service life. And, their premium fir decking is denser and lasts longer than other decking options for superior reliability.

### ① Easier to Own

Brandt trailers are backed by the best support in the business to make ownership stress-free:

- Flexible purchasing options include rentals, rental purchasing, leasing, and conventional financing.
- Coast-to-coast 56-branch support network ensures parts and service are easily accessible, anywhere in Canada.
- Reliable design and long-lasting components reduce total cost of ownership.

### ② Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Dual rear ramps are spring assisted, reducing strain on the operator while making loading and unloading quick and easy.
- Torsion spring suspension system delivers reliable shock-absorption without requiring any maintenance work.

### ③ Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection

- Power Pin™ ball hitch is specially designed to prevent binding, ensuring that the trailer is properly secured to the towing vehicle, every single time.
- Premium fir decking provides better traction for the operator in wet and frozen conditions.
- Forward self-adjusting brakes keep the brakes at their peak performance for longer while eliminating the need for manual adjustments.

Powerful Value. **Delivered.**
