Road Warrior.

The Brandt Work Ready™ 16-ton ramp deck trailer delivers superior capacity to get your equipment where it's going, every single day. This rugged model works as hard as you do, while taking all the punishment you can dish out.

① Easier to Own

Brandt trailers are backed by the best support in the business to make ownership stress-free:

- Flexible purchasing options include rentals, rental purchasing, leasing, and conventional financing.
- Coast-to-coast 56-branch support network ensures parts and service are easily accessible, anywhere in Canada.
- Reliable design and long-lasting components reduce total cost of ownership.

② Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Full-width ramps accommodate any kind of equipment without hassle, ensuring superior versatility.
- Dual Two-speed 10,000 lb. jack is included as standard equipment to make coupling an uncoupling trailer effortless.

③ Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection:

- Optional undercarriage toolbox, lower side step, and hydraulic ramps allow operators to work safely.
- Dependable 15,000 lb. axles on platinum configurations ensure positive hitch weight distribution and overall stability when hauling concentrated heavy payloads.
- Premium fir decking provides better traction for the operator in wet and frozen conditions.

Powerful Value. **Delivered.**
