ZT HD

EXPECTATIONS ELEVATED.

More style, more comfort, more speed, and more precision have made the ZT HD one of the top selling machines in its class. It was built to commercial standards for power and durability. The only thing that makes it a residential mower is its address.

POWERFUL ENGINES Kawasaki® FR Series engines deliver all the power that you'll ever need.

NEW X-FACTOR® 3 DECK Its new thick, 7-gauge steel stands up to the punishment yards and their obstacles dish out. Its sloped front end lifts grass sooner to deliver a better cut and the reinforced spindle mounts protect blade operation. It's also designed to disperse grass better with its large discharge opening.

CUT SELECTION Offers 15 cutting positions, ranging from 1.5 inches to 5 inches, to make your lawn look its best.

FULLY WELDED TUBULAR FRAME The ZT HD offers a superior and more robust welded tubular frame, giving you the integrity of a commercial frame in a residential package.

HYDRO-GEAR® ZT-3100® TRANSAXLES Reliable, commercial grade transaxles deliver the speed and torque to get your mowing done quickly. They're also easy to service for more longevity.

NEW TALLER AND WIDER SEAT WITH PADDED ARMRESTS Ready for the long mow! This seat is 22" tall to provide more back support and is mounted on a taller seat base to make it easier to stand up and sit down. Padded armrests deliver extra cushion to keep your arms more comfortable.
