AMI Attachments is a certified member of the Hardox in my Body<sup>®</sup> program. This strict accreditation means that we provide our customers with buckets manufactured from genuine wear-resistant steel that sets the standard worldwide for being harder, tougher and lighter.

In the quest for stronger and lighter products, AMI Attachments relies on Strenx<sup>®</sup> high-performance structural steel. Working with Strenx<sup>®</sup> steel makes our attachments stronger, lighter, safer, more competitive and more sustainable.
