# FEATURE HIGHLIGHTS

### Wall Design

The exclusive automotive-inspired styling is designed with aluminum panels to stand out on the water and take fit and finish to a whole new level.

### LinQ Accessories

Now available for Manitou, the industry-leading LinQ System from BRP lets you add a personal touch to whichever pontoon you choose. Get the most out of your day on the water with ample storage and cooler options.

### Engine and Hull Options

Both twin tube and V-Toon hull options are available with a choice of traditional outboard engines or Rotax S outboard engines.

### Captain's Helm

The dashboard layout and design dedicates 4 unique sections of the helm to key functions, ensuring that phone charging, radio control, vessel monitoring, and vessel switching are accessible and intuitive.

### Switchback Loungers

The flexible furniture design includes Switchback loungers with adjustable backrests to easily convert from rear-facing to forward-facing seats.

### Integrated Cupholders and Speakers

Cupholders and speakers have been integrated into the walls to offer an enhanced on-board experience without sacrificing space.
