Feature highlights

UFit system

Can be adjusted to fit the rider's height and style in a short period of time.

10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple, right at your fingertips.

LED headlights

The LED headlamps offer whiter illumination and a wider periphery, while reducing the amount of maintenance required. Leave nothing hidden with improved road visibility and precision lighting.

Self-leveling air suspension

Rear air shocks automatically adjust to passenger and cargo weight to ensure comfort is never compromised.

Top case

The waterproof top case offers 60 liters of storage capacity, perfect for leaving nothing behind on a long-distance ride. Enough space for 2 large full-face helmets.

BRP Audio - Premium System

Our 6-speaker sound system comes equipped with radio, USB and Bluetooth* so you can listen to your favorite music from any device.
