## MARLON XPLORE PRO III

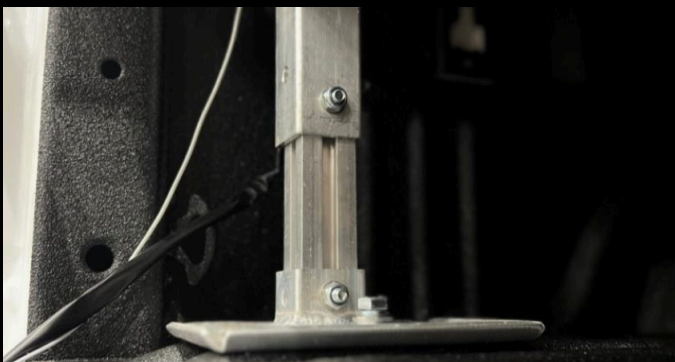

SLED/ATV TRUCK DECK

## MAIN FEATURES

Now available in powder coated black, raw aluminum and powder coated white.

- **HDPE Decking:** With built in traction and carbide lifters to keep you safe on the deck.
- **Fully adjustable legs and foot pads:** Fit any truck bed without cutting or trimming—no more shims.
- **(Patented) LED load bar light** features LED brake, signal, and reverse lights.
- **Strategic LED Lighting:** Bullet lights on the headache rack, sides, and under the deck with a heavy-duty toggle switch.
- **Integrated Seal Kit** on all four sides of the deck to seal to your trucks box making it weather resistant.
- **New Logo Plates:** Aluminum plates with a textured black finish replace decals, offering a sleek look and customization options.
- **Two-Position Slide Out:** Round slide point transitions into a square, HDPE-filled slide point for smooth deck wing extension. The sides can be set for narrow mountain sleds or expanded to full width for trail machines—entering full BRAAP mode.
- **Headache Rack:** Compatible with newer trucks, accommodating third taillights and rear-facing cameras.
- **Supertrack tie down system** ran down the sides of the deck and now up the center of the deck for ample tie down locations to serve your needs.
- **Telescopic Ramp:** Wide superglides for wider ski stances and 50" SxS's.

## ABOUT US

The Marlon roots extend over 48 years as a distributor of recreational products for adventurers in British Columbia, Canada. As we matured in the marketplace, we identified a need to not only expand our offerings of recreational trailers and related accessories, but also innovate our own products to help address the specific needs of a growing customer-base in Canada and the USA.
