

FTR

modern golf cars

PREMIUM IS THE STANDARD

TECHNOLOGY TO POWER YOUR HUNT

Crafted with the sportsman in mind, the FTR STEALTH HUNTING and UTILITY Car ushers in a new era of technology and style, allowing you to track your predators quietly.

You'll be immediately engaged as you settle into the seat, grasp the premium leather steering wheel, and accelerate through the fields with effortless power and speed.

FTR Golf Cars are more energy-efficient than traditional cars, allowing you to extend your driving time between charges with a state-of-the-art 370-watt FTR Solar Drive canopy and a sophisticated LiFEPO4 Battery Pack.

Even on sunless days, FTR Cars can be plugged into any 110 outlet, reducing your charging time by one-third compared to standard lead-acid batteries.

Maintenance is minimal, giving you more time for yourself!

We aim to streamline your experience, save you time, and lessen your carbon footprint all at once.

- Frame: LIFETIME
- Battery and BMS: 8-Year
- Canopy Solar System: 5-Year
- Car Parts & Components: See Detailed Warranty

Incredible golf cars. Unparalleled service.

We're proud of our golf cars. When you get them on your course, you will be too. More than a comprehensive warranty—although we have that too—FTR Golf Cars come with a promise. When your cars need service, you are our priority. Call us, someone will answer—a real human being dedicated to making your day easier.

We'll send a skilled technician your way. Not through an outsourced service that doesn't know the product, but through us, from us, for you. Quality control will always be under our control. We're alongside for the ride, ensuring that your cars run smoothly and any downtime feels like no time at all.

We know this product like you know your back nine. Our advanced component design ensures that the fix is within reach, and the knowledge of our technicians makes it happen fast.
