

S18

SERIES

MAXIMUM POWER AT A MINIMAL SIZE.

This easy-to-operate 18" single-stage unit is perfect for smaller spaces because it's compact and full of power. With its AX99cc engine it delivers consistent quick starts and can remove tons of snow right down to the pavement. The quick-collapse handle bar makes storing convenient and its lightweight design helps you transport it with ease. The S18 is maximum convenience at minimal size.

I don't have a lot of room to store a snowblower so my Ariens with the folding handle is perfect. And it clears snow like the much larger machines.

— Tammy L
Rochester, NY

QUICK AND EASY STARTING

Unmatched dependability with a one pull start from every Ariens® Sno-Thro®

ELECTRIC START AVAILABLE

Starts easily with the push of a button, even in extreme conditions

CLEAN-TO-PAVEMENT TECHNOLOGY

Clean results that mimic a shoveled finish. Our paddle technology allows you to effortlessly blow snow without breaking a sweat.

PRECISION CHUTE AND DEFLECTOR

210 degrees of rotation to easily control where you want the snow to go

SMALL FOOTPRINT STORAGE

18" machine width. Easy storage and effortless product operation. Small footprint, big power. Ideal for small jobs and 1"-8" of snowfall
