ITS NAME MAY BE STEALTH, BUT IT CERTAINLY WON'T GO UNNOTICED.

Military-inspired design with tactical graphics and badging make the ZT HD STEALTH unlike any other mower on the market. It's powered by a Kawasaki® FR691V, one of the most sought after engines out there. Its two-tone black paint, one wrinkle textured and one gloss, keeps you mowing under the radar while simultaneously making a bold statement with its sleek style. When you hit the ignition and engage the blades, the grass will never know what cut it.

X-FACTOR® 3 DECK The deck has been completely redesigned for better grass dispersion. Its new look is constructed from 10-gauge steel to deliver years of solid performance.

FULLY WELDED TUBULAR FRAME The ZT HD STEALTH offers a superior and more robust welded tubular frame, giving you the integrity of a commercial frame in a residential package.

LIMITED EDITION SEAT Comfortable high back seat with armrests is ready for a long day of mowing and looks great on the grass or even parked in the garage. Wide seat base with bolstered padding, along with high-back cushions provide extra comfort and a secure ride.

CUSTOM MOLDED GRIPS Two-tone, Gravely-Red and black molded grips feel great to the touch, absorb the engine vibration, and ensure you are in constant control of your machine.

RUBBER FLOOR MAT Secure footing, vibration dampening, and extra cushioning while mowing.

INTEGRATED SEAT ISOLATION Set of vibration absorbing dampers smooth out bumps and engine vibration for a smooth and comfortable ride.

LIGHTING KIT It may be named STEALTH, but it loves to be seen. Its bright, dual lighting makes sure of it.
