

WOODS RC-SERIES *New* ROTARY CUTTERS

SIZES
3.5-foot
4-foot
5-foot
6-foot

An economical rotary cutter for maintaining grassy pastures, open fields, and recreational trails

Woods' new RC-Series Single-spindle Rotary Cutter is the ideal attachment to get the most from your compact or sub-compact tractor. Designed and built in the USA using high-strength steel, Woods confidently stands behind this product with our three-year gearbox warranty.

- **Four cutting widths** to fit the size of your job and paint colors to match your tractor
- **Unique smooth, sloped decks** are easy to clean and reduce build-up of water and debris
- **Stump jumpers** are standard on all models for added driveline protection
- **High-strength steel** and quality parts provide dependable service year-after-year
- **Three-year gearbox warranty** is one of the best in the industry

Strong, fabricated tail wheel assembly with solid, laminated tire

Optional chain shielding for added protection from thrown objects

Optional bolt-on replaceable skid shoes for longer wear

Breaklink allows cutter to float and follow terrain for better cut quality
